## Love Has Many Voices:

**I Am Love** Diane Elizabeth Mooney, 2014-10-17 Love has different levels and dimensions When love speaks it will declare what it is and what level it speaks from This book exposes some of the levels and dimensions of love via Diane Mooneys experience with love and what she believes love revealed to her The purpose and or goal of this book is to expose the deceptive ploy of counterfeited love expose ignorance and to motivate the desire for pure love The intent is to bring knowledge to the reader so they might understand why they have possibly been having certain types of experiences with people that they think they love and those they think love them At the end of this journey my prayer is that the readers be empowered to love from a different level of knowledge and desire and that they choose to not be deceived My prayer is that this insight would give greater understanding as to why people do what they do so that the reader may have greater intuitiveness for the people that are in and will come into their lives For when love speaks it will have a voice and require something of the individual whether they acknowledge it or not Rescue Your Love Life Henry Cloud, John Townsend, 2009-08-25 Beginning with self examination and setting realistic expectations the authors explore how couples can nurture and master healthy communication build trust and enhance the romance in their marriage Provided by publisher

*Kamala Das: A Poetess and A Thinker* , When I was student of English literature in M A final it was an ambition in my mind to write a book on Kamala Das After hard endeavor I am able to write this book I am aware of the fact there are a few books purported to be full length studies of Kamala Das s poetry available and there are also scores of articles and papers on the various aspects of her poetry that have appeared in literary journals or included in books on Indian writing in English But the sweep of such publications appear to be very limited In another words their views about Kamala Das s poetry seem truncated In this connection I would like to cite up a story of six blind men They went to acknowledge the elephant Each one touched the different parts of the elephant They touched the feet the leg the ear the trunk and the tail Each one was confident in one s opinion They quarreled among themselves for the recognition of the elephant They all were right separately but all were wrong about the complete shape of the elephant Such is the recognition of Kamala Das among the critics Most critics agree she is the poet of Love and Sex No doubt she had taken love and sex as objective correlative for her presentation She has presented the prevailing evils of society If we concentrate our mind on the writing of the literature we get particular stimulus and response We take Valmiki for his historical poetry This harbinger of worldly Sanskrit literature keeps the pathetic vision for mankind s destiny He presents Ram in pathetic situation in course of life He was exiled Ravan aloped his wife Sita and in the last phase of his life he submerged in the river Saryu Whatever may be the case it is true there is inspiration in every creative work Kamala gets inspiration from discordancy of woman s love If we take the history of womankind as a writer we get Love and Sex are deeply delved in the writing therefore it is wrong to charge Kamala Das for the representation of Love and Sex Kamala Das s poetry has remarkable feature of its own First it marks the male and female

relation in running society of the time in which the writer lives What she has experienced in her private life she universalised it for contemporary society If obscenity is charged with her writing it is worth marking the term is elastic it changes its form according to time place and person Here we must take the realism of discordancy One must know Kamala Das s poetry follows the pattern of Nissim Ezekiel and Ramanujan It is most remarkable factor in the soul of Kamala Das s poetry in last phase of her poetry we get sublimation of Love i e in Ghanshyam and Vindravan She discovers the evil through her presentation of poetry and desires a harmonic and balanced love in society There is magic of her art in her poetry Indianness and Indian culture I have presented it in the last chapter of the book There is balance of content and art Though she is not highly educated she is expert in the portrait of poetry This book begins with a seminal Introduction following the Background Kamala Das Singer of feminine sensibility Autobiographical and Confessional Note in Kamala Das s poetry Protest Against Well established Social Conventions In the last chapter of Evaluation her art is marked Thanks to all whose works I have employed in my book Afterall I am grateful to my husband and parents who have provided me essential help of needed occasion If Critics and Readers like my simple but honest thinking it would be my ample reward Thanks to God who guides me time to time in the form of man

**Toni Morrison and the Queer Pleasure of Ghosts** Juda Bennett,2014-11-13 Offers the first queer reading of all ten of Morrison s novels Toni Morrison and the Queer Pleasure of Ghosts radically intervenes in one of the most established and sacred topics in Toni Morrison scholarship love Moving beyond Morrison s representation of ghosts as the forgotten or occluded past Juda Bennett uncovers how Morrison imagines the spectral sphere as always already queer a provocation and challenge to heteronormativity with the ghost appearing as an active participant in disruptions of compulsory heterosexuality as a figure embodying closet desires or as a disembodied emanation that counterpoints homophobia From *The Bluest Eye* to *Home* Morrison s novels have included many queer ghosts that challenge our most cherished conceptions of love and speak to cultural anxieties about black sexualities gay marriage AIDS lesbian visibility and transgender identities Not surprisingly the scene stealing ghost Beloved appears at the very heart of this book but Bennett cautions against interpretative stasis inviting readers to break free of the stranglehold Beloved has had on imaginations so as not to miss the full force of Morrison s lifelong project to queer love
