Love Jack:

Plots Unlimited Tom Sawyer, Arthur David Weingarten, 1995 This is a veritable thesaurus of exciting plot twists and story moves that work for any composition of any genre *Jack's Journey* Cecil Rhodes, 2011-02-10 Jack's Journey is one man's story of the surprising discovery of grace in the mistakes, failures and heartaches of life. Jack tells of a ten year journey of self discovery and healing in the everyday and sacred places of grace. Soon after his fortieth birthday his happy world crumbled into a sea of heartache and disappointment which escalated in spite of every endeavor he made to get things right again. Mistake followed mistake, one failure leading to another. Eventually he came to terms with the grief all around him and accepted his misfortune as an opportunity to re-order his life. He discovered the resources he needed to heal in four places of grace: By interpreting and understanding the adverse circumstances of his life through the experiences of an initiation and ancient rites of passage; By re-identifying with the grief, heartache, disappointment and failure of the great men and women of God as told in the Old and New Testament stories; By working through the vigorous discipline required by the church and by experiencing amazing unconditional love and acceptance through the church; By experiencing the loyalty and love of family and friends. The road to healing and wholeness is long and winding with many unexpected twists and turns. All too often the wind was blowing not from behind but into Jack's face and the journey was a long and painful one. His story is a testimony that despite the difficulty and longevity of emotional healing, grace to heal abounds; that the very things that have gone wrong become the seeds of the new life to come; and that the secret of love, which is joy, is discovered in the depths of one's suffering and despair.

Salvation Chris Enness, 2020-01-30 Salvation is the story of how tragic unforeseen circumstances can plunge ordinary people like us into a world of lost hope and despair. Could this be fate, destiny or bad luck playing their hands? Do the choices we make and the actions we take determine our future? Some people choose to run, others stand and fight. What will you do? Jack, a New York firefighter, plunges into darkness and despair following a distressing fire with tragic consequences. Olivia, a rising star in the sporting world, has everything at her feet. The fans love her, sports commentators adore her, the media adores her. Her success seems inevitable, but can she continue her meteoric rise? Scott, a handsome, successful and brilliant investigative journalist, discovers a shocking truth about someone who doesn't want to be found. Ashleigh will do anything to protect her family. But at what personal cost? An exciting new novel about how life can present people with unexpected challenges.
