Quattlebum, 2013-11-12 It may be an oversimplification to say that faith hope and love are all we need But with an understanding of what these three are we have a better understanding of what they can do in our lives Our focus will turn from our needs and wants to what leads us into the answer of all these things faith hope and love which we find through our relationships with Jesus It is simple but not always easy to allow the control of our life to transfer from us to God It is important to know these three what they are and how we interact with them We want to look at these three as the following Faith the God Possible Hope the God Perspective Love the God Power In these three we make all things about Jesus and less about us The more we live in these three the more we become like Him These three faith hope and love will do the work to establish the kingdom of God in us and in others *Learning to Love Yourself* Gay Hendricks, 1993 **Unity and the**
