Powerful women aren't just men walking around in dresses As women continue to assume positions of social leadership in increasing numbers the dynamics of the social construction of power need to be examined Have women adopted traditionally male patterns of behavior in an effort to gain and maintain power in business industry politics academics etc And if not what kind of power are women practicing The authors of Women Power and Ethnicity Working Toward Reciprocal Empowerment endeavored to find out by conducting a research study on how women from various racial and ethnic backgrounds compare and contrast the attributes associated with existing power paradigms traditional empowerment personal authority with an alternate model of power reciprocal empowerment Reciprocal empowerment is a discursive and behavioral style of interaction grounded in reciprocity initiated by people who feel a sense of personal authority Reciprocal empowerment enables people with mutual self interests to rise above obstacles based on social and political structures and to use personal authority to discuss and act on issues openly and honestly in order to effect change Using a qualitative methodology Women Power and Ethnicity includes the results of surveys and interviews with women from seven different ethnic groups in the United States to determine if the concept of reciprocal empowerment resonates with them The answer Yes Women Power and Ethnicity is organized by surveys and interview findings on women from seven cultural groups living in the United States African Asian Caribbean European Latin Middle Eastern Native American Each chapter includes analyses of ethnographic findings surveys and interviews concise historical information effects of immigration where applicable tables and diagrams direct quotes and much more Women Power and Ethnicity examines women's attitudes toward power in several social forums home job religion politics and society in general The book is an essential resource for teachers and students of communication studies women studies gender studies ethnic studies and social sciences

**Unbroken Homes** J Dianne

Garner,Wendy A Paterson,2014-02-25 Explore the real life triumphs and tragedies of single parent mothers Unbroken Homes is a story quilt of personal narratives constructed from in depth case study interviews of five single parent mothers The book chronicles their journeys as mothers daughters and women in relationships and in solitude displaying their stories in their own words like the squares of a multicolored quilt Unbroken Homes breaks through the stigma associated with broken homes and provides a new perspective on the reorganization of American families Unbroken Homes encourages you to rethink some damaging stereotypical assumptions about children from single mother headed homes Drawing information from family research counseling and a cross section of social sciences this book is pertinent to any professional who works with single parents or their children Unbroken Homes does not deal with what is typical in the single parenting experience nor does it give advice or proselytize Rather its purpose is to discover the meaning that single parent mothers bring to their own lives helping you to understand the dynamics of single parent families from a uniquely personal perspective In Unbroken Homes you will witness the ways that these women experience the ill effects of gender role socialization work to overcome

stigma redefine ideals for family life and gender expectations balance responsibilities in and outside of their homes stretch finances to meet the needs of their families regain strength and self confidence encourage their children s development affirm the strength of their families cope with depression develop networks of support This intensely personal collection of women s stories and reflections is a must read for everyone who seeks a better understanding of divorce single parenting and being alone from an insider s perspective      *A Matter of Blood* Lucy True, Jea Hawkins, Nothing will stop Alice and Nora from being together Not even a disapproving mother It takes little effort to save the world from power obsessed madmen when you ve been doing it for years For once however it s not an artifact hunt that has Alice Mortensen vexed It s her beloved Nora s mother Lady Spurlock With their dissimilar Aetheric natures called into question Alice and Nora undertake a journey halfway around the world for answers Whether by railway steamer or airship Alice and Nora will not rest until they can allay Lady Spurlock s concerns about their union Nor will they realize the unimaginable discovery or danger to which their inquiries will lead until a chance meeting leads to a long overdue reunion All our heroines want is a happy ending but will they encounter too much danger and not enough cake to save the day in the finale to their unlikely adventures

Feminist Theories and Feminist Psychotherapies Carolyn Zerbe Enns, 2004 Feminist Theories and Feminist Psychotherapies Origins Themes and Diversity Second Edition examines major feminist theoretical perspectives and links them to practical applications of feminist therapy This new edition contains numerous improvements to further your research such as updated chapters that reflect continuing work in the field substantial reworking and expansion of the theories regarding women of color feminisms and therapy and the addition of new chapters on global and postmodern feminisms lesbian theory and third wave feminisms Every chapter has been augmented with new references and the sections on feminist therapy have been expanded to include developments in the years since the first edition s publication This book is useful for mental health professionals educators and students interested in feminist and gender issues in psychotherapy practice      *Transforming the Disciplines* Renee P Prys, Mary Jane Cherry, Susan Popham, Elizabeth L Macnabb, 2013-10-31 A jargon free non technical and easily accessible introduction to women s studies All too many students enter academia with the hazy idea that the field of women s studies is restricted to housework birth control and Susan B Anthony Their first encounter with a women s studies textbook is likely to focus on the history and sociology of women s lives While these topics are important the emphasis on them has led to neglect of equally important issues Transforming the Disciplines A Women s Studies Primer is one of the first women s studies textbooks to show feminist scholarship as an active force changing the way we study such diverse fields as architecture bioethics history mathematics religion and sports studies Although this text was designed as an introduction to women s studies it is also rewarding for upper level or graduate students who want to understand the pervasive effects of feminist theory Most chapters provide a bibliography or list of further reading of significant works Its clear jargon free prose makes feminist thought accessible to general readers without sacrificing the

revolutionary power of its ideas In almost thirty essays covering a broad range of subjects from anthropology to chemistry to rhetoric *Transforming the Disciplines* exemplifies the changes achieved by feminist thought *Transforming the Disciplines* combines a high standard of writing and scholarship with personal insight includes both traditional academic arguments and alternative non agonistic forms of discussion embraces an international scope challenges traditional assumptions models and methodologies offers an inter and multidisciplinary approach strengthens readers understanding of the big picture not only for women but for all disempowered groups critiques feminism as well as patriarchal society Feminist theory is grounded in a questioning of traditional assumptions about what is right natural and self evident not just about the roles and nature of men and women but about how we think what we teach whose experience matters and what is important *Transforming the Disciplines* is the first textbook to show the consequences of those questions not the answers themselves but the consequences of the willingness to ask and the transformations that have occurred when the right answers changed

**Women's Best Friendships** Patricia Rind, 2012-12-06 Explore the distinct relationships of close female friends *Women's Best Friendships Beyond Betty Veronica Thelma and Louise* gives new and comprehensive insight into the complex world of women's closest friendships Recent studies have shown that women place enormous value on best friendships and consider them to be woven tightly into the fabric of their lives Using in depth interviews along with close readings of relevant literature and theory this book focuses on the many facets of these relationships With heartfelt first person accounts and insightful commentary from the author this book examines three intertwining themes feelings of competition issues of dependence and independence and knowing understanding This book sheds light on areas of tension among women especially difficulties in communication frustration about not being entirely let into a friend's life and thought processes and the feeling that one friend may value the friendship more than the other It also discusses women's struggles to maintain closeness over increased distances and the realization that one's friends are flawed even as friends This informative book grounded in established research and theory presents stories of real friendships told by the people who live them These women talk candidly about what makes a best friend about navigating the choppy waters of friendship and much more Somehow when we started living farther apart there were ways in which we were being insensitive We recognized that there was a really strong bond but we were taking it for granted So we talked about how close we feel to one another and perhaps how that leads to some arguments or hurt feelings Liz on how distance has affected her relationship with her best friend Susan Em and I don't fight at all I don't know if that's good or bad I don't think I do well with fights I think that's probably a lot of conflict avoidance on my part And I think it does lead to some distance even though it's a best friendship I think I'm uncomfortable asserting myself And so it's easier not to have to do that So maybe my inability to deal with the problems keeps the friendship at a distance where it's safe and comfortable for me in that one respect Linda about her desire to avoid any confrontation with Emily her best friend *Women's Best Friendships Beyond Betty Veronica Thelma and Louise* is a fresh

and exciting look at the inner workings of relationships between women Drawing upon a multitude of issues and insights this book is a must have for women s studies classes *The Publishers Weekly* ,2003 My Second Chance: An Instalove Lesbian Romantic Comedy Reba Bale,2024-01-11 Eleven years ago they were one of the first lesbian couples to be married in Seattle Ten years ago they got divorced Or so they thought Claire Langford has a big problem She wants to marry her girlfriend but when they apply for a marriage license she s shocked to learn that she s still married to her first wife Vickie It was love at first sight when the two women met but once they were married they learned they were just too different to make it long term Vickie McMaster never got over her first wife Her only wife She d been devastated when Claire served her with divorce papers unwilling to work through their problems So when the only woman she s ever loved shows up on her doorstep demanding that she sign new divorce papers Vickie devises a plan She s going to convince Claire to give their love a second chance at forever even if it means she has to play dirty My Second Chance is book twelve in the Friends to Lovers romantic novella series Each book in the series is a steamy standalone featuring an LGBTQ couple making the leap from friends to lovers and looking for their happily ever after Thamyris Overcoming Boundaries: Ethnicity, Gender and Sexuality. Nanny M. W. de Vries, Jan Best, Queer Japanese H.
