Love, Sex and Gender in the World Religions Nancy M. Martin, Joseph Runzo, 2000-08 This new volume offers enlightening new perspectives on the roles of love sex and gender in different faiths and covers issues from gender politics to religious ecstasy

Encyclopedia of Love in World Religions Yudit Kornberg Greenberg, 2007-11-15 This is the first comprehensive resource on the subject of love in the teachings of the world's major religions cultures and philosophies Encyclopedia of Love in World Religions is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love Encyclopedia of Love in World Religions features approximately 300 subject entries as well as insightful biographic sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love's integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world

**Sexuality and the World's Religions** David Wayne Machacek, Melissa M. Wilcox, 2003-08-13 Exploring one of the most controversial topics in contemporary theology this scholarly volume reveals what the world's great faiths East and West preach about sexuality with a special emphasis on American religion What do the world's most important religious texts have to say about one of humanity's favorite activities Editors David W Machacek and Melissa M Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions Carefully researched elegantly written and respectfully presented Sexuality and the World's Religions explores the intersection of the spiritual and the carnal in Buddhism Christianity Confucianism Daoism Hinduism Islam Judaism and African and Native American spiritual traditions A separate section explores critical religious and sexual topics in American society including the role of spirituality in gay lesbian bisexual and transgender communities the role of sex in the modern witchcraft community and the ever thorny problem of religion and sexual liberty Reconciling sexuality and spirituality in every human soul is one of religion's most important tasks Students and other readers will find this timely and comprehensive volume of interest in exploring these issues

**Human Rights and Responsibilities in the World Religions** Joseph Runzo, Arvind Sharma, Nancy M. Martin, 2014-10-01 This volume outlines the approaches to human rights and responsibilities within the different world religions Featuring contributions from over 15 scholars the book covers such key issues as women's rights the role of international law and responsibility for the environment It also includes a Universal Declaration of Human Rights by the World's Religions presented at the third Parliament of the World Religions

**The Oxford Handbook of Religion and Emotion** John

Corrigan,2008-01-02 The academic study of religion recently has turned to the investigation of emotion as a crucial aspect of religious life Researchers have set out in several directions to explore that new terrain and have brought with them an assortment of instruments useful in charting it This volume collects essays under four categories religious traditions religious life emotional states and historical and theoretical perspectives In this book scholars engaged in cutting edge research on religion and emotion describe the ways in which emotions have played a role in Buddhism Christianity Judaism Islam and other religions They analyze the manner in which key components of religious life ritual music gender sexuality and material culture represent and shape emotional performance Some of the essays included here take a specific emotion such as love or hatred and observe the place of that emotion in an assortment of religious traditions and cultural settings Other essays analyze the thinking of figures such as St Augustine Soren Kierkegaard Jonathan Edwards Emile Durkheim and William James This collection offers a range of critical perspectives on the academic study of religion and emotion in the form of syntheses provocations and prospective observations that will inform the work of those already engaged in the field Taken together the writings included in this handbook serve as an ideal entry point for anyone wishing to familiarize themselves with the new academic study of religion and emotion

*Sex and Religion* Dag Ølstein Endsjø,2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In *Sex and Religion* Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsjø explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage *Sex and Religion* reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it *Sex and Religion* is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience

**Media, Religion and Gender** Mia Lövheim,2013-06-03 *Media Religion and Gender* presents a selection of eminent current scholarship that explores the role gender plays when religion media use and values in contemporary society interact The book surveys the development of research on media religion and culture through the lens of key theoretical and methodological issues and debates within

gender studies includes case studies drawn from a variety of countries and contexts to illustrate the range of issues theoretical perspectives and empirical material involved in current work outlines new areas and reflects on challenges for the future Students of media religion and gender at advanced level will find this a valuable resource as will scholars and researchers working in this important and growing field

Ph. D. G. G. Bolich, 2009-01-01 Much debate exists over the proper religious perspective on transgender realities and people This volume examines transgender in the major world religions Extensive consideration is given to Christianity including the arguments presented both against transgender behaviors and by supporters of transgender people Religions covered include Christianity Judaism Islam Hinduism Buddhism Jainism Confucianism Taoism Shinto and indigenous religions such as Native American religions of the United States

*The Sexual Politics of Empire* Erin L. Durban, 2023-02-28 Winner in the LAMMY Awards Lambda Literary Awards LGBTQ Studies category Evangelical Christians and members of the global LGBTQI human rights movement have vied for influence in Haiti since the 2010 earthquake Each side accuses the other of serving foreign interests Yet each proposes future foreign interventions on behalf of their respective causes despite the country's traumatic past with European colonialism and American imperialism As Erin L Durban shows two discourses dominate discussions of intervention One maintains imperialist notions of a backward Haiti so riddled with cultural deficiencies that foreign supervision is necessary to overcome Haitians resistance to progress The other sees Haiti as a modern but failed state that exists only through its capacity for violence including homophobia In the context of these competing claims Durban explores the creative ways that same sex desiring and gender creative Haitians contend with anti LGBTQI violence and ongoing foreign intervention Compelling and thought provoking *The Sexual Politics of Empire* examines LGBTQI life in contemporary Haiti against the backdrop of American imperialism and intervention

**Inappropriate Relationships** Robin

Goodwin, Duncan Cramer, 2005-04-11 In one of the great euphemisms of our time an embattled President Clinton admitted to an inappropriate relationship with his White House intern Monica Lewinsky But what exactly is an inappropriate relationship For that matter what is an appropriate relationship And how can an understanding of the rules of appropriateness help us understand personal relationships in our modern world Contributors to this book discuss the personal boundaries and taboos of modern relationships Together they examine the power struggles that can occur when individuals are involved in inappropriate relationships and the ways individuals in such a relationship may attempt to buffer themselves against sanctions or even embrace this relationship as an agent of social change Representing work from a range of disciplines this collection will appeal to scholars researchers students and professionals working on relationships issues in areas across the social sciences including those working in the fields of social psychology family studies social anthropology cultural studies and communication

Medicine Across Cultures Helaine Selin, 2006-04-11 This work deals with the medical knowledge and beliefs of cultures outside of the United States and Europe In addition to articles surveying Islamic Chinese Native American

Aboriginal Australian Indian Egyptian and Tibetan medicine the book includes essays on comparing Chinese and western medicine and religion and medicine Each essay is well illustrated and contains an extensive bibliography **Mama Lola** Karen McCarthy Brown, 2001-12-04 Karen McCarthy Brown's classic book shatters stereotypes of Vodou by offering an intimate portrait of African based religion in everyday life She explores the importance of women's religious practices along with related themes of family and of social change Weaving several of her own voices analytic descriptive and personal with the voices of her subjects in alternate chapters of traditional ethnography and ethnographic fiction Brown presents herself as a character in Mama Lola's world and allows the reader to evaluate her interactions there Startlingly original Brown's work endures as an important experiment in ethnography as a social art form rooted in human relationships A new preface epilogue bibliography and a collection of family photographs tell the story of the effect of the book's publication on Mama Lola's life **A Companion to Gender History** Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women's history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language Confucianism and Spiritual Traditions in Modern China and Beyond Fenggang Yang, Joseph Tamney, 2011-11-11 Confucianism is reviving in China and spreading in America The past and present interactions between the revived Confucianism and Daoism Buddhism Islam and Christianity will likely shape the cultural and political developments in Chinese societies of mainland China Taiwan Hong Kong Singapore etc and will have global implications in the globalizing world In addition to the philosophical and theological articulations of Confucianism and other spiritual traditions this volume includes empirical studies of and analytical reflections on the spiritual traditions in Chinese societies by historians sociologists and anthropologists It is a collection of articles by the best minds in China and the West and the top experts in multiple disciplines Collectively the volume provides an assessment of the present situation and points to the possibilities of future development of Confucianism and other spiritual traditions in modern China and beyond **Mimetic Desires** Harshita Mruthinti Kamath, Pamela Lothspeich, 2022-11-30 Through an exploration of subjects such as Gandhi impersonators performance artists and ritual participants Mimetic Desires makes an intervention toward understanding the phenomenon of impersonation and guising in South Asia and the world This volume defines impersonation as the temporary assumption of an identity or guise in social and aesthetic performance that is perceived as not one's own and guising as sartorial and kinetic

play more generally Interrogating the legitimacy of the purported dialectic between the real original and fake dupe Mimetic Desires refutes the ordering of identity along the lines of a binary or dichotomy that presupposes the myth of an original identity By peeling back the layers of performative masks to reveal the process of the masquerade itself we can see that those with the most social capital are often those with the most power and opportunities to impersonate up and down social hierarchies The book s twelve chapters disclose sites and processes of sociopolitical power facilitated by normative markers of social status relating to race ethnicity gender caste class and religion and how those markers can be manipulated to express and enhance individual and group power The first comprehensive study to focus on impersonation in South Asia Mimetic Desires expands on previous scholarship on impersonation and guising in vernacular theatre dance public processions and religious rituals It is particularly in conversation with the robust scholarship on gender performance in South Asia s theatrical and dance forms Mimetic Desires explores some of the contexts and forms of impersonation in South Asia with its remarkable array of performing arts to gain insight into the very human and quotidian practices of impersonation and guising
