follow your heart Love is an extravagance Darcy Williams can t afford She prefers the simple life which includes waitressing at The Love Shack and avoiding temptation But when a forbidden part of her past steps off the ferry her safe guarded existence is turned upside down Kincaid Foster has never gotten over his first love When he sees the wild beautiful blonde again dancing her way around The Love Shack the memories of Darcy's soft skin gentle touch and heated kisses come rushing back As the privileged son of a wealthy family Kincaid was too young to stand up to his overbearing father when he and Darcy were together Now he s back on the island free of the family shackles and the chiseled big time lawyer wants a second chance But Darcy made a promise to keep a secret from Kincaid a secret that is now a six year old girl who looks just like her daddy If Kincaid finds out about their daughter Darcy could lose everything But she can t resist the man who stole her heart all those years ago And it doesn't take long before both of them realize that anything can happen on a hot summer Beatnik M.J. Poynter, 2011-06-10 Beatnik is a bohemian memoir set in the city of Durban in 1990 M.J. Poynter is a young college student immersed in the vibrant world of performing arts Under the bright lights of the theatre the author spends his time designing sets and writing poetry But offstage his carefree life as a beatnik is about to end Nelson Mandela has just been released from prison and South Africa is on the cusp of political change Set in a coastal city overlooking the Indian Ocean Beatnik follows the exploits of four young students who see the need for political reform but who fear the prospect of an ANC government Told through a series of amusing anecdotes the author provides an insightful commentary of political events captures the pop culture of the 1990s and provides a creative outlet for some of his poems Set against a backdrop of township violence and instability M J Poynter recollects the final years of apartheid and the end of white minority rule Don't Let It Break Your Heart Maggie Horne, 2024-08-27 Perfect for fans of The Half of It Maggie Horne's debut YA contemporary novel is an ode to lifelong friendships and discovering queer community You only get one soulmate and I m not throwing mine away Alana and Gray have been the perfect couple ever since they got together before high school and neither of them thinks that should have to change just because Alana came out as a lesbian Sure things are a little different now their romantic relationship is over but their best friends since forever relationship is stronger than ever And yeah Alana sees how her other friends now exclude her in tiny almost unnoticeable ways but she still has Gray and that s all that s ever mattered to her Really the only difference is that instead of kissing Gray herself Alana sets him up with other girls to do that But when the new girl Tal arrives she stops both Alana and Gray in their tracks Suddenly Gray s all in on his plan to get Tal to fall in love with him and for the first time Alana s reluctant to help As Alana and Tal grow closer and Alana begins to think Tal might share her feelings she has to decide whether to embrace her queerness and risk losing the life she thought she was building or continue hiding parts of herself and maintain the status quo Don t Let it Break Your Heart is a tender and romantic exploration of identity love and friendship that turns the friends to lovers romance trope on its head Best Creative Nonfiction of the South, Volume I: Virginia Casey Clabough, Thorpe Moeckel, 2016-12-30 Best Creative

Nonfiction of the South of which this Virginia collection is the first volume serves as a valuable resource for scholars students writers and general readers interested in creative nonfiction both from specific areas of the South and across the region as a whole The writers included in each volume come from diverse backgrounds generations and artistic traditions Most if not all volumes in the series indirectly reflect literary changes over time and or how literary variations have manifested themselves in a given state In some cases publisher permissions and other factors have foiled the editors from including the work of deserving writers Nevertheless the abundant literary talent across the South has lessened the impact of the occasional unfortunate omission TRP has for years now published an annual collection of poetry from each of our Southern states and these anthologies have done very well for us both inside and outside university classrooms We welcome this new series on Southern nonfiction and look forward to visiting these fine essayists state by state Paul Ruffin Director Texas Review Press
