True and Lasting Love Bernardo Leonard, 2003 This is a must and essential book to have *Le Meilleur* the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet *dira la verite est beate* to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary pressure to convert Instead the pressure exerted upon the reader is to think hence thought provoking As much

as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time When you know the truth in your heart you know the truth Period To err is human to forgive is divine So much of humanity is so far removed from divine reading and digesting this book will bring them closer The reader can identify with each of Bernardo's Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE Some run the race claiming it's money or fame they are after others claim this and still others claim that Every one of us understands that the reason we live is to Love and be Loved Thank you Bernardo for putting these truths to paper Stan Brushwood Tucson Arizona *Why Do I Care?* Amy Baker,2016-03-07 It is difficult and sometimes frightening not to have the good opinion of others No one likes to face the possibility of rejection humiliation or opposition Yet making others approval our goal confines us to a small world where life consists of pleasing others Experienced counselor Amy Baker shares that rejection by others *Exploring Revelation* John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **A Tale of Love and Lamentation** Pasquale De Marco,2025-03-09 A Tale of Love and Lamentation is a literary masterpiece that weaves a tapestry of emotions exploring the profound depths of love loss faith and hope Set against a backdrop of both ordinary and extraordinary realms this book delves into the intricacies of the human spirit inviting readers on a journey of self discovery and reflection At the heart of the story lies the enduring power of love a force that transcends the boundaries of life and death We witness the unwavering devotion of a husband to his wife the unbreakable bond between a mother and her child and the transformative nature of love that can heal even the deepest wounds Yet amidst the tapestry of love there are threads of sorrow and loss The book explores the profound grief experienced by those who have lost loved ones the emptiness that lingers in their hearts and the arduous journey of healing and acceptance But even in the darkest moments we discover the resilience of the human spirit the ability to find solace and strength in the face of adversity A Tale of Love and Lamentation is more than just a story it is an immersive experience that invites readers to confront their own fears and embrace their hopes With each turn of the page we are reminded of the beauty and fragility of life the importance of cherishing every moment and the enduring power of love that binds us all In this literary odyssey we traverse diverse landscapes both physical and emotional We encounter moments of great joy profound sorrow and unwavering faith We witness the transformative power of love the resilience of the human spirit and the enduring legacy of those who have touched our lives A Tale of Love and Lamentation is a poignant exploration of the human condition a symphony of emotions that will leave an indelible mark on your soul Prepare to be transported to a realm where love and loss dance in delicate harmony where the ordinary and the sublime converge and where the journey of life is laid bare in all its beauty and complexity If you like this book write a review *Whatever Became of Love?* Thomas C. Pfizenmaier,2023-07-21 This book is
