Taylor was standing in front of the space we had just pulled out of. Staring after the car I felt tears start to fall from my eyes. My phone rang five minutes later with her ring tone. I hit the answer button and held it to my ear but I didn't say anything. You realize this is the second time we've left things like this. The second time one of us has left the other behind in this town. Taylor's voice came through choked with emotion disguised by slight anger. What is it that you want me to say. That we can be friends. I'm sorry Taylor. I can't do that. I love you too much to look on as you make a mistake. I could feel her turn defensive at my word choice. You claim you are in love with him who am I to stand in the way. I am taking myself completely out of the equation. Just one thing to remember though if you were really in love with him it would not be this hard to let me go. I finish in a whisper Goodbye Taylor.
