London's longer major books and a fine selection of shorter pieces and Fiction Books. These books created and collected in Jack London's Most Important Works illuminate the life and work of one of the most individual writers of the XX century, a man who elevated political writing to an art. John Griffith London, born John Griffith Chaney, January 12, 1876–November 22, 1916, was an American novelist, journalist, and social activist.
