educational psychologists SENCO s and SEN Specialist Teachers [PE/sports](#) Crispin Andrews,2005 Accompanying CD ROM contains a variety of templates and checklists which can be amended as appropriate and printed out for use by the purchasing institution p xiii

Just the Same on the Inside Juan Bornman,Margaret Collins,2004-11-30 Visit the author s own website here Juan Bornman s series of stories about children with disabilities accompanied by explanations of the nature and causes of their difficulties helps children to improve understanding and relationships with their peers Stories about a looked after child and an asylum seeker are also included Margaret Collins has provided accompanying information for adults about the disability or difference Circle Time activities for young people aged 6 to 8 and 8 to 11 This book can provide a term s work on inclusion or one story and set of activities can be selected to prepare a class or group for the inclusion of a new member who has a difficulty The programme also encourages reflection on difference and individuality Margaret Collins is a former headteacher of infant and first schools She is now Senior Visiting Fellow in the School of Education at the University of Southampton She researches children s perceptions of health education topics writes teaching materials for children books and articles on PSHE

A Handbook for Teaching Assistants Glenys Fox,2016-07-22 This revised new edition provides essential guidance for all teaching assistants especially those who are new to the job and to the teachers working with them Glenys Fox details the roles and responsibilities of the TA as well as providing helpful advice on how to best support the teacher the pupil the curriculum and the school This practical handbook will bring experienced TAs up to date on changes to National educational guidance including changes in the National Curriculum assessment and the Special Educational Needs framework This text enables the assistant and the teacher to work together more effectively in supporting and promoting the progress of children and young people Written in light of recent research and updates in legislation this guide will ensure that teaching assistants know what to expect of colleagues and vice versa pupils are given the best possible support by teaching assistants who understand their need teaching assistants and teachers are able to work together effectively to support the learning of all children especially children who have special educational needs and disabilities any training received is relevant and helpful *A Handbook for Teaching Assistants* is an ideal textbook for training as well as a useful classroom handbook for teaching assistants working in early years primary and secondary settings

Gifted and Talented Children with Special Educational Needs Diane Montgomery,2013-05-13 Gifted pupils who also have special needs often receive provision for the special need whilst the giftedness is overlooked Children with such double exceptionality can become depressed frustrated and misbehave and may not fulfil their potential Based on international research and practice this practical text enables the reader to identify highly able pupils with special needs such as ADHD dyspraxia dyslexia and Downs Syndrome and then make provision for them within the mainstream school The book offers three emerging themes creating a positive constructive and supportive learning environment offering a cognitively challenging curriculum and engaging the learners in partnership to understand and manage their learning support Whilst

aimed mainly at teachers and students at both primary and secondary levels this book should also be of interest to educators researchers and educational psychologists *All About Autism: A Practical Guide for Primary Teachers* Lynn McCann,2023-05-26 All About Autism is an accessible and informative guide for primary school teachers designed to increase their knowledge and understanding of autism and enhance their toolkit with practical adaptable strategies to support autistic children in their care The book initially explores key traits and terminology debunks myths and misconceptions and shines a light on the strengths and abilities of autistic learners It then introduces readers to a range of easy to implement ideas for practice and concrete solutions to provide further support all with the child at the heart All About Autism includes Practical strategies tailored to the primary key stages with current research broken down into easily digestible chunks Guidance on a range of topics from the importance of play for developing communication and supporting sensory needs to building peer relationships and social awareness for all Strategies to create an autistic friendly environment and teach in a way that caters to students with different ways of learning Advice for helping autistic learners with problem solving and managing demands tests and bridging the gap between primary and secondary school Easy to dip in and out of chapters with signposting to further research resources and support Taking a celebratory approach the guide focuses on difference rather than deficit and weaves together the voices of autistic children and parents alongside practical examples of what high quality and adapted teaching should look like It will be essential reading for all primary school educators SENCOs and parents who are supporting autistic learners aged 4 11 **Sooner, Faster, Better Reading for All** Diane Montgomery,2023-10-05 Sutton Trust research showed that disadvantaged children were 11 5 months behind advantaged peers in reading by the end of their first year of primary education and never caught up By the time these students were completing their GCSE examinations they were 20 months behind This book provides a 7 point plan to change this so that all children including those with dyslexia can become readers by the end of Year 1 and critical readers in secondary school The changes proposed are cost free in terms of both money and teachers time This book is for educators and their students early years teachers English teachers and Special Education Co ordinators SENCOs in primary and secondary schools and in Further Education as well as reading researchers and policy makers Altogether the 7 point plan proposed in this book will improve reading fluency comprehension and subject attainments across the curriculum including mathematics *All About SEMH: A Practical Guide for Secondary Teachers* Sarah Johnson,2023-09-05 All About SEMH is an accessible and informative guide for secondary school teachers designed to increase their understanding of social emotional and mental health needs and to enhance their toolkit with practical evidence informed strategies to support learners in their care The book unpicks key terminology and debunks myths and misconceptions enabling teachers to more easily understand some of the challenges for learners with SEMH needs It then explores a range of key areas including anxiety depression bereavement obsessive compulsive disorder and self harm and focuses on practical strategies and adaptations that can be made in every classroom All About SEMH

includes A comprehensive introduction to social emotional and mental health needs and the surrounding terms and policies
Practical strategies tailored to different conditions to help provide targeted support to secondary school learners Case
studies and worked examples to illustrate points in the book supporting behaviour recognition and developing reader
understanding The difference between children s behaviour at home and at school are examined and the voices of parents of
children with SEMH are woven throughout Guidance on safeguarding and when to ask for additional support regarding
concerns such as drug abuse or child exploitation Easy to dip in and out of chapters with signposting to further research
resources and support This accessible guide is a valuable resource to empower secondary educators increasing their
knowledge and understanding of SEMH and providing a range of practical strategies to support every learner in their class It
will be essential reading for all secondary school educators SENCOs and parents who are supporting children with SEMH
