,2004-12-01 *Diary of a Dead Beat Dad* William Lavon Binion,2009-03 **The Diary of a Deadbeat Dad** Vito LaGuido,2020-09-08 If getting emotional is something you don't want to happen then reading this book is something you don't want to do because an emotional rollercoaster will be a direct understatement of what you will experience as your heart rattles and the words jump from the page in this real life diary If you think what you have to give is too much for this book so will be what is written inside It will be too much for you Forbidden from book clubs and anyone under the age of 18 without permission from their parents to read this may be your only opportunity to divulge in it So if you are thinking about waiting to read this you are not thinking at all It's currently not available in brick and mortar stores because it would be too expensive to plastic wrap each book to keep every one's lustful eyes off of the secrets within these pages If you are looking for a book with proper grammar and excellent spelling you have come to the wrong place as the Author once received an F in English class So if you are looking to read words from a literary genius you might as well go back in time because this modern day mock up won't make the cut If there is anything I CAN promise you it is that it won't be anything like you are thinking There is only one way not to find out that is by not reading it So keep your money and don't get the book because I don't need your money and you don't need the book or do you But I will stop there because it's not my job to convince you to read this in fact I don't even have a job **Dear God, Do Deadbeat Dads Go To Heaven?** Ms. KnowItAll,2014-09-01 This raw and vivid tell all memoir is the Baby Mama's guide to dealing with a Deadbeat Baby Daddy and learning how to be a Better Mama verses a Bitter Mama Ms KIA is the girl of your dreams and your worst nightmares all in one Her sassy honest raw attitude had enabled her to proudly wear the Independent woman title Then the day comes when the educated Independent Woman becomes a Dependent Mother The clash of these two roles forces Ms KIA to revisit the unresolved pains of her past to resolve her current issues and once again regain her sense of self Ms KIA's Baby Mama Memoirs is a true uncensored and raw story of her experience dealing with her single mother's personal pain shame psychological economical struggles and plan to break the cycle of being another government dependent Baby Mama **The Diary of a Deadbeat Dad** Daniel B. Hennis,2018-05-06 Warning If getting emotional is something you don't want to happen then reading this book is something you don't want to do because an emotional roller coaster will be a direct understatement of what you will experience as your heart rattles from your chest and the words jump from the page in this real life Diary If you think the price of this book is too much so will be what is written inside It will be too much for you Forbidden from book clubs and anyone under the age of 18 without permission from their parents to read this may be your only opportunity to divulge in it So if you are thinking about waiting to read this you are not thinking at all It is currently not available in brick and mortar stores because it would be too expensive to plastic wrap each book to keep every one's lustful eyes off of the secrets within these pages If you are looking for a book with proper grammar and excellent spelling you have come to the wrong place as

the author of this book once received an F in English class So if you are looking to read the words of a literary genius you might as well go back in time because this modern day mock up wont make the cut If there is anything that I CAN promise you it is that it wont be anything like you are thinking There is only one way not to find out that is by not reading it So keep your money and don t buy the book because I don t need your money and you don t need the book or do you But I will stop there because it s not my job to convince you to read this in fact I don t even have a job The Far Side of a Dead Beat Dad David Bryson,2017-01-11 As a former member of the United States Army Special Forces David Bryson lived by the motto De oppresso liber a Latin phrase that means to free from oppression or to liberate the oppressed Little did he realize that years later he would be fighting to liberate not others but himself from an unjust governmental system Slapped with a bill for over 23 000 in allegedly unpaid child support a charge based solely on his ex wife s testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife s charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence **Dear God, Do Deadbeat Dads Go to Heaven?** ,2015-01-01 Dear God, Do Deadbeat Dads Go to Heaven?
