Politics of Guilt & Pity R. J. Rushdoony, 2019-07-17 From the foreword by Steve Schlissel Rushdoony sounds the clarion call of liberty for all who remain oppressed by Christian leaders who wrongfully lord it over the souls of God's righteous ones I pray that the entire book will not only instruct you in the method and content of a Biblical worldview but actually bring you further into the glorious freedom of the children of God Those who walk in wisdom's ways become immune to the politics of guilt and pity Man has trampled God's law under foot In doing so he has misused himself and trampled on the God given rights of his fellowman He is conscious of his guilt and seeks self justification through self atonement The author makes it perfectly clear that there is only one way of escape from present slough and despair It is in turning in heartfelt repentance to God who has already provided atonement in the sacrifice of His Son And true repentance includes a return to the doing of God's will as revealed in God's Word the Bible *Dust that Breathes* William Schweiker, 2010-12-09 In this insightful and look at the practical challenges and possibilities for Christian life in the global age Schweiker investigates Christianity's current relevance and discusses how the life of faith can be oriented Explores the big religious themes of modern life including religious identity in global times the role of conscience integrity and versions of religious humanism Written by an author who is internationally recognized as one of the world's leading theologians Draws on the work of some prominent contemporary philosophers and theologians to clarify the nature of faith Unique in its appreciation of the ambiguity of religion in its representations of the highest human achievements as well as the very worst of human actions using a balanced and engaged approach to discuss contentious theological and intellectual issues **The Tapestry of Spirit: A Journey of Transformation** Pasquale De Marco, Embark on a journey of spiritual transformation with The Tapestry of Spirit

Eloquence of Effort Indar Maharaj, 2017-09-27 The Eloquence of Effort echoes the merits of conscientious toil It provides an insightful look into the benefits of sustained socio economic effort To convincingly argue that dreams are only achievable through mind numbing toil the writer draws heavily from biographical philosophical economic religious historical and scientific data Work is the mission the multiple rewards are the byproducts he argues Moreover the pleasure resides in the effort not the results Against the dark backdrop of malignancies inflicted on society by unrepentant leeches the benefit of conscientious work is sharply focused The reader is imperceptibly nudged into a higher plane of reality namely purposeful effort regardless of its nature is supremely rewarding The writer forces the realization that regardless of the outcome effort is never wasted Conversely indolence is the bane of progress and the root cause of economic crimes Indeed corruption in all its diabolical forms is nothing but laziness masquerading as diligence and embraced by vacuous minds craving the most for the least Analysis of biographical data sustains the thesis that industry prolongs life inaction truncates it a finding supported by the second Law of Thermodynamics The persuasiveness of the arguments is supported by a wealth of references Together they form the final authority they have given resonance to the arguments contained herein
