Taylor,2014-03 Second Chances Worthy of Redemption is the follow up to Humble Pie A Gift from God Anyone who has truly lived has probably made at least one mistake In some cases the mistake is something one has to learn to live with for the rest of one s life If this blemish on one s life s record doesn t result in public humiliation it can at least serve as a thorn in one s side to help keep the person humble Even when we forget and move beyond our transgressions others will occasionally

appear to remind us and in some cases try to define us by who we were or by what we did or what was done to us Second Chances Worthy of Redemption is about those of us who have made mistakes Since we can't undo the past that added an imperfection or two to our lives we have to learn and grow from our experiences and do our best to continue living without repeating our transgressions It is said that we never get a second chance to make a first impression but we always have a chance to make a lasting impression Connect with the author on Facebook at <https://www.facebook.com/KollinLTaylor>
