Simenon 1903 1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon s portrait of French society is historically accurate and the nature of the influence of the author s own class position and ideology on his fiction

The Doctor in Literature Solomon Posen,2005 Posen a retired physician and a former English major has indexed 1500 passages from approximately 600 novels short stories and plays describing physicians He also analyzes several persistent themes in literature such as doctors fees lack of time bedside manner and social status Posen s extensive research has uncovered a resentment of doctors and a discontent with the medical profession that transcends time and place Annotation 2004 Book News Inc Portland OR booknews com
