

A romantic scene of a couple walking away from the camera on a paved road during a golden sunset. The woman on the left has long, wavy hair and is wearing a light-colored, short-sleeved dress. The man on the right has long, curly hair and is wearing a light-colored t-shirt and dark pants. They are holding hands and walking towards the horizon where the sun is low, creating a warm, orange glow. A car is visible in the distance on the road. The overall mood is peaceful and intimate.

Freedom and Dialogue in a Polarized World argues that our most cherished ideas about freedom being left alone to do as we please or uncovering the truth have failed us They promote the polarized thinking that blights our world Rooted in literature political theory and Mikhail Bakhtin's theories of language this book introduces a new concept dialogic freedom This concept combats polarization by inspiring us to feel freer the better able we are to see from the perspectives of others To say that freedom is dialogic is to apply to it an idea about language If you and I are talking I anticipate from you a response that could be friendly hostile or indifferent and this awareness helps determine what I say If you look bored or give me a blank stare I might not say anything at all In this sense language is dialogic The same can be said of freedom Our decisions take into account the voices of others to which we feel answerable and these voices coauthor our choices In today's polarized world prevailing concepts of freedom as autonomy and enlightenment have encouraged us to take refuge in echo chambers among the like minded Whether the subject is abortion terrorism or gun control these concepts encourage us to shut out the voices of those who dare to disagree We need a new way to think about freedom *Freedom and Dialogue in a Polarized World* presents riveting moments of choice from Homer's Iliad Dante's Inferno Shakespeare's Merchant of Venice Milton's Paradise Lost Melville's Benito Cereno Dostoevsky's The Brothers Karamazov Kafka's In the Penal Colony and Morrison's Beloved in order to advocate reading for and with dialogic freedom It ends with a practical application to the debate about abortion and an invitation to rethink other polarizing issues For more information please visit <http://dialogicfreedom.weebly.com>

The Spacious Path Tamara Hill Murphy, 2023-06-20 A simple invitation into a life ordered around listening and love As we live through cycles of change and disruption our familiar pathways crumble and we find ourselves in fragmented relationships with God others and our own souls We are not the first to experience this disorientation When Jesus offered the stunning invitation to come to him to learn how to work from a place of rest he was talking to people weighed down by ill fitting political economic and religious systems And his life and ministry offer a glimpse of a better way For centuries a practice called the Rule of Life built around rhythms of prayer work study hospitality and rest has provided a loving pathway for anyone who desires to live out the whole gospel More than a historic primer on an ancient practice an aspirational overview of spiritual life or a personal inventory focused on habits The Spacious Path offers companionship through personal narrative meaningful reflection and guided prayer for readers to return to as often as needed Rediscover an ancient Christian practice to reorient your life around the unforced rhythms of Jesus not by adding another ill fitting system but by walking freely and lightly on the pathways of listening and love in the way of Jesus
