Ready Or Not, Here I Come Allen Cole, 2022-01-20 This book is the second of a three book series The reason for this book Preparing Our Minds for the Second Coming is to link book number one to book number three What is the first book about In the first book we discussed the necessity of spiritual preparation for living in the end of the age and the Second Coming This book is the foundation for the last two books We used Revelation chapters one through three to explain how Jesus wants us to prepare What is the third book about In the third book we will study chapter four through the end of Revelation chapter twenty two For this second book we will walk through the Bible starting in Genesis and end with the book of Jude Each book of the Bible gives us thoughts and ideas connecting to the last book Revelation It would be impossible to take every thread that connects to the end of the age and Second Coming in this book There are just too many of them to develop However we have tried to take some of the more significant passages not all and discuss them in this book It is impossible to understand correctly Revelation if we do not know how this book connects to the rest of the Bible What do these other books do for us All the other books of the Bible actually help interpret Revelation for us Without reading and studying all these other books of the Bible we can only guess what John is seeing and saying However if we allow the entire Bible to inform us about the end of the age and Second Coming then we will understand better what is being said in the last book There is a temptation as well as a danger to look in other places outside of the Bible for potential clues or ideas We must remain in the Bible to get a correct interpretation of Revelation If we move outside the Bible then invariably we will get a wrong idea
