## **Secondary School Teaching Educational Psychology:**

*Secondary School Teaching and Educational Psychology* David Galloway, Anne Edwards, 2014-01-21 A companion volume to *Primary School Teaching and Educational Psychology* this book concerns itself with the day to day business of teaching in a secondary school Throughout the book four themes reoccur that teachers can best understand the development of children by observing their learning and their relationships within school that assessment and evaluation are integral to effective teaching that effective teaching and learning depend on both teacher and child being able to monitor own progress and to find solutions to problems that occur and finally that there must be explicit recognition of the common ground between

educational psychology and other disciplines such as sociology philosophy and the history of education **Teacher**
