Tayos Gold Stan Hall,2007 In 1976 Scottish engineer Stan Hall organised a landmark expedition to the caves of the Tayos Indians in Ecuador involving a dozen institutions joint Special Forces and astronaut professor Neil Armstrong as Honorary President and participant Hall was driven by curiosity about Erich von Daniken s report of a Metal Library allegedly found in the caves by investigator Juan Moricz in the mid 1960s published in von Daniken s 1972 blockbuster *Gold of the Gods* This idea was considered unorthodox in the absence of any ancient written script in South America In Hall s odyssey into the heart of global enigmas he researches the origins of mankind Atlantis Ptolemy s lost city of Cattigara and the sudden rise and fall of wonder civilisations This journey ended with his identification of Atlantis and Cattigara and the entrance to the Metal Library along the Pastaza River in Ecuador Imagination action and danger combine explosively in the story of this spectacular British Ecuadorian expedition to the Tayos Caves of Ecuador Life with a Cosmos Clearance Daniel M. Salter,2003-06-01 On May 9 2001 the Disclosure Project hosted a major event at the National Press Club in Washington D C This historic event had witness testimony from twenty to twenty five military intelligence government and corporate individuals involved with UFO projects over the past fifty years who presented their information before a worldwide group of media correspondents Those of us who were military witnesses of UFO history showed official government documentation

with detailed testimony Our focus was and is on the facts and documents Our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry We who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial occupants We need to declassify the advanced electromagnetic propulsion systems in use by the secret government start producing them for the world to use and thereby help save this planet The people who had been employed in agencies within the military and knew the truth about UFOs were sworn to secrecy Now I am finally relieved to speak the truth We military men who hold on to this knowledge are getting old and dying and we want the truth to come out We will either do it ourselves or leave it for our children and wives to do Personally I have told those on Capitol Hill that I am being led to do it by the aliens themselves They have convinced me that it is time They have been waiting on the government and if the government does not come forward with the truth then the aliens will take a more public role in disclosure
