Or is she? Kate and Marilyn were always the kind of best friends who lived on the same block for their entire lives and who agreed on what kinds of boys were worth kissing and who should be invited to their sleepover. The kind of best friends who didn't need words to talk but who always just knew. But lately Marilyn has started to think that Kate can be a bit babyish. And Kate thinks Marilyn is acting like a big snob. Somehow nothing is the same but secretly Kate and Marilyn both wish it could be.

The Secret Language of Influence Dan Seidman, 2012-04-11 Spanning the use of storytelling, humor, emotion-evoking language, and questions that advance the sale, this entertaining and practical book demonstrates the power of words to break down resistance and incline buyers toward purchase. A few simple words, the right words, can transform an awkward sales call into a comfortable conversation and a

resistant prospect into a happy customer which is why author Dan Seidman teaches you to think of influence as something occurring at a level just below the buyer's awareness. The Secret Language of Influence does this by explaining not only how to identify the right words and which to avoid but how to use strategic key words and phrases with different potential buyers. You'll learn the best ways to approach buyers who are motivated by benefits vs problems i.e. wanting to hear about the money they'll save rather than the pain they'll avoid. Proactive vs reactive, big picture vs detail oriented, systems thinkers vs creative minds and those who are influenced by external feedback, testimonials, evidence vs internal factors, feelings, personal experiences, beliefs. Today's buyer is savvy and all too familiar with traditional selling techniques but great selling is invisible. By identifying different ways buyers are motivated, salespeople can quickly customize their conversations and lead prospects to a yes.
