Secret Britain Tom Quinn, 2016-12-01. Secret Britain is an exploration of the fascinating and beautiful yet more obscure and less visited corners of the country. Landscapes and heritage sites that receive little coverage in more conventional guides are revealed here in all their glory, and there is a diverse range of locations to suit every mood. Travel from the rugged beaches of Cornwall to the ancient burial sites of the Orkney Islands and in between encounter an enticing mix of wild hills and spectacular coastlines, ancient castles and stately homes, tiny churches and magnificent abbeys, wide estuaries and hidden valleys and many other little-known gems that add to the breath-taking landscapes and buildings that make up the heritage of England, Wales and Scotland. Each chapter is accompanied by a lively commentary by Tom Quinn, a full-color map and Chris Coe's beautiful photography which captures the unique character of each site. Suggestions for places to stay and nearby attractions are also included.
