Confessions of an Illuminati, Volume I Leo Lyon Zagami, 2019-06-01 Leo Lyon Zagami uses the internal documents of the Illuminati to reveal confidential and top secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies just as those inside the most prestigious U.S. universities such as Yale or Harvard have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur Lodges.

Western Esotericism and Rituals of Initiation Henrik Bogdan, 2012-02-01 For more than three hundred years the practice of Masonic rituals of initiation has been part of Western culture spreading far beyond the boundaries of traditional Freemasonry. Henrik Bogdan explores the historical development of these rituals and their relationship with Western esotericism. Beginning with the Craft degrees of Freemasonry, the blueprints as it were of all later Masonic rituals of initiation, Bogdan examines the development of the Masonic High Degrees, the Hermetic Order of the Golden Dawn, the most influential of all nineteenth-century occultist initiatory societies, and Gerald Gardner's Witchcraft movement of the 1950s, one of the first large-scale Western esoteric New Religions Movements.

The Prophets and the Goddess Dionysios Psilopoulos, 2017-11-06 This text discusses how W.B. Yeats, Aleister Crowley, Ezra Pound, and Robert Graves had access to the forbidden knowledge of the Goddess. These four poets experienced a confrontation with their unconscious and let the grace of the Goddess touch their heart strings. Consequently, through this surrendering, they created avant-garde poetry and were inspired to write seditious manifestos that would teach humanity an esoteric creed. This creed, based on humans' eternal divine essence, aspires to liberate the eternal feminine. These poets became the instruments of the Goddess. As defenders of the Light, they took arms against the forces of inertia and proclaimed the eleusis of a new faith. This creed pledges to overthrow the anachronistic religious and social institutions and initiate a new world order and a new divinity based on the ancient rites of the Great Goddess. No matter how disparate these four were in character, they shared the vision of transmitting esoteric knowledge to profane humanity. They were specifically chosen by the Goddess as Her troubadours, and they paved Her way to the religious consciousness of the people.

Satanic Ritual Abuse Colin A. Ross, 1995-01-01 Although Dr. Ross has found no evidence of a widespread Satanic network, he is open to the possibility that a certain percentage of his patients' memories may be entirely or partially historically accurate. In treatment, he recommends that the therapist adopt an attitude hovering between disbelief and credulous entrapment.

The Unknown God Martin P. Starr, 2003-11-01 The first documentary study of Aleister Crowley's contemporary followers in North America, told through the life of their de facto leader, Wilfred Talbot Smith (1885-1957). Smith, Frater 132, the unacknowledged offspring of a prominent English family, emigrated to Canada where he encountered Charles Stansfeld Jones, Frater Achad, and through him, the works of Aleister Crowley, Baphomet, and Therion. Although Crowley and Smith met only once, their twenty-year

correspondence proved to be a major link to the few and the faithful attracted to Crowley's work in the USA and Canada. THE UNKNOWN GOD is a fascinating and complex human story intimately interwoven with the lives of most of Crowley's American disciples including C. F. Russell, Jane Wolfe, Max R. Schneider, Jack Parsons, Louis T. Culling, Frederic Mellinger and Grady L. McMurtry, as well as occult teachers like H. Spencer Lewis, AMORC, Paul Foster Case, BOTA and Wayne Walker, OM. Hollywood actors such as John Carradine and even the founder of the Mattachine Society, Harry Hay, students of 19th and 20th century esoteric movements including the Hermetic Order of the Golden Dawn, the Theosophical Society and the Crowleyan Orders will find THE UNKNOWN GOD worth reading.
