Secret Techniques Of Erotic Delight:

Secret Techniques of Erotic Delight Vyvyan Howarth, 1966 **A Photobook of Secret Techniques of Erotic Delight** Anders Jorgens, Gunilla Jorgens, 1972 **The Long Sexual Revolution** Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s **Playgirl** , 1978 **Hidden Intercourse** Wouter J. Hanegraaff, Jeffrey Kripal, 2008-12-31 From rumours about gnostic orgies in antiquity to the explicit erotic symbolism of alchemical texts from the subtly coded eroticism of medieval kabbalah to the sexual magic practiced by contemporary occultists and countercultural translations of Asian Tantra the history of Western esotericism is rich in references to the domains of eros and sexuality This volume which brings together an impressive array of top level specialists is the first to analyze the eroticism of the esoteric without sensationalism or cheap generalizations but on the basis of expert scholarship and attention to textual and historical detail While there are few other domains where the imagination may so easily run wild the various contributions seek to distinguish fact from fiction only to find that historical realities are sometimes even stranger than the fantasies In doing so they reveal the outlines of a largely unknown history spanning more than twenty centuries **The Transplanted** Frederick John Niven, 2022-07-21 In *The Transplanted* the writer depicts the rise of British Columbia s lumbering and mining industries with their effects on different characters Two men from Glasgow Robert Wallace and Jock Galbraith maintain a strong bond despite hardships But one of them becomes a builder of Canada opening up the town of Elkhorn **Indecent Publications** Stuart Perry, 1980 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1971 *The Master Masochist* Leopold Ritter von Sacher-Masoch, 1968 **The Truth about Incest** Daniel Hawkes, 1971
