Stephen Haggard, 1911-1943 Ross Davies, 2024-11-05 Actor memoirist novelist playwright and poet Stephen Haggard was a highly individual figure in the English literature and theatre of the 1930s and Second World War Haggard was born in Guatemala City in 1911 the son of a British colonial officer who was a nephew of H Rider Haggard and his French Canadian wife He died in mysterious circumstances in 1943 while serving with British Army Intelligence in the Middle East Ross Davies's biography retraces Stephen Haggard's brief yet vivid and crowded life and work From a colonial childhood and

education in England the Haggard story moves on to prewar theatre studies in Munich stardom on the London and New York stages and from there to service with the Army the BBC the Special Operations Executive and its rival Political Warfare Executive Davies shows that Haggard felt verse to be his vital outlet artistic and emotional although he did not seek publication until the outbreak of Hitler's war Wartime poems such *The Tear* and *Lotus* struck a chord with the many other young men and women who had to set aside civilian life and Haggard's widow Morna collected the verse for publication with his memoir *I'll Go to Bed at Noon* 1944 In this book Davies traces a fascinating life story that has been largely lost from view and makes a convincing case for Haggard's important contribution to the interwar literary and cultural scene **Jeremy**

Brett - Playing a Part Maureen Whittaker, 2024-09-23 Holmes could be rude impatient abrupt and his intolerance of fools was legendary I tried to show all this all of the man's incredible brilliance But there are some cracks in Holmes's marble as in an almost perfect Rodin statue And I tried to show that too It's difficult for me to say what I may have given to the image of Holmes Faithful to Conan Doyle's text certainly Also I've tried to bring out the emotion that is there in Holmes On the surface he seems a cold sometimes dark rather off putting figure But deeper down I think he's a man of feeling Jeremy Jeremy Brett is still recognised as the most celebrated incarnation of Sherlock Holmes which he presented for ten years Jeremy delighted viewers with his dashing arrogant moody interpretation of the most popular famous detective he brought a brooding intensity to his finest role one of disturbing power He is still called the definitive Sherlock Holmes Covering a forty year period from first leaving Central School of Speech and Drama until his early death at the age of 61 *Playing a Part* is a full career book of a very fine actor who would delight audiences as a sensitive lover or as a haunted murderer Talented loved and admired by the theatrical world at the birth of the National Theatre led by Laurence Olivier Robert Stephens and Maggie Smith Beginning and ending his career in Manchester he would transfer his talents to the American culture of the 70s as he settled into his new life with his American wife but was enticed back with some of the best classical roles for television and the stage Jeremy's own words are used whenever they are available to present his story and his approach to playing the parts His unfailing enthusiasm for a new project and the degree of commitment comes through Illustrated with original photographs covering his life and career it is the first detailed record of all his performances on the stage film or television **Female Stars of**

British Cinema Williams Melanie Williams, 2017-07-07 Film stars are often seen as a Hollywood creation but this book explores how British cinema developed its own culture of stardom and how its female stars have been prized by audiences worldwide *Female Stars of British Cinema* uses case studies of seven female stars whose careers span the 1940s to the present day Jean Kent Diana Dors Rita Tushingham Glenda Jackson Helena Bonham Carter Emily Lloyd and Judi Dench to explore how British star femininities have developed over time and how the image of the British female star has responded to broader social and cultural changes These women in question offer a way into the complexities of British cinema's culture of stardom which has sometimes espoused glamour and sometimes rejected it and is entangled with issues of regional national

and ethnic identity as well as class sexuality and age Exploring and investigating the variety of British star femininities over the last seventy five years this book also interrogates the omissions and absences from that same cinematic firmament

Great Shakespeare Actors Stanley Wells,2015 *Great Shakespeare Actors* provides a series of well informed well written illuminating and entertaining accounts of many of the most famous stage performers of Shakespeare in both England and America offering a concise actor centred history of Shakespeare on the stage **Fighting Proud** Stephen

Bourne,2017-06-30 In this astonishing new history of wartime Britain historian Stephen Bourne unearths the fascinating stories of the gay men who served in the armed forces and at home and brings to light the great unheralded contribution they made to the war effort *Fighting Proud* weaves together the remarkable lives of these men from RAF hero Ian Gleed a Flying Ace twice honoured for bravery by King George VI to the infantry officers serving in the trenches on the Western Front in WWI many of whom led the charges into machine gun fire only to find themselves court martialled after the war for indecent behaviour Behind the lines Alan Turing s work on breaking the enigma machine and subsequent persecution contrasts with the many stories of love and courage in Blitzed out London with new wartime diaries and letters unearthed for the first time Bourne tells the bitterly sad story of Ivor Novello who wrote the WWI anthem *Keep the Home Fires Burning* and the crucial work of Noel Coward who was hated by Hitler for his work entertaining the troops *Fighting Proud* also includes a wealth of long suppressed wartime photography subsequently ignored by mainstream historians This book is a monument to the bravery sacrifice and honour shown by a persecuted minority who contributed during Britain s hour of need **Film**
