Secret Germany Stefan George And His Circle:

Secret Germany Robert E. Norton, 2018-09-05 Stefan George 1868 1933 was one of the most important and influential poets to have written in German His work in its originality and impact easily ranks with that of Goethe Holderlin or Rilke Yet George's reach extended far beyond the sphere of literature Particularly during his last three decades George gathered around himself a group of men who subscribed to his homoerotic and idiosyncratic vision of life and sought to transform that vision into reality George considered his circle to be the embodiment and defender of the real but secret Germany opposed to the false values of contemporary bourgeois society Some of his disciples friends and admirers were themselves historians philosophers and poets Their works profoundly affected the intellectual and cultural attitudes of Germany's elite during the critical postwar years of the Weimar Republic Essentially conservative in temperament and outlook George and his circle occupy a central but problematic place in the rise of proto fascism in Germany Their own surrogate state offered a miniature model of a future German state enthusiastic followers submitting themselves without question to the figure and will of a charismatic leader believed to be in possession of mysterious even quasi divine powers When he died several months after the Nazi takeover George was one of the most famous and revered figures in Germany Today the importance of George and his circle has largely been forgotten In this the first full biography of George to appear in any language Robert E Norton traces the poet's life and rise to fame

[A Companion to the Works of Stefan George](#) Jens Rieckmann, 2005 Stefan George 1868 1933 is along with Hugo von Hofmannsthal and Rainer Maria Rilke one of the pre eminent German poets of the twentieth century He also had an important albeit controversial and provocative role in German cultural history It is generally agreed that he played a significant part in the transition of German literature to Modernism particularly in poetry At the same time he was an outspoken critic of modernity He believed that only an all encompassing cultural renewal could save modern man Although George is often linked with the *l'art pour l'art* movement and although his artistic consciousness was formed by European aestheticism his poetry and the writings that emerged from the poets and intellectuals he gathered around him in the George Circle are above all a scathing commentary on the political social and cultural situation in Germany at the turn of the century George who was imbued with the idea of the poet as a prophet and priest saw himself as the Messiah of a New Hellenism and a New Reich led by an intellectual and aesthetic elite consisting of men who were bonded together through their allegiance to a charismatic leader Some of the values that George proclaimed among them a glorification of power of heroism and self sacrifice were seized upon by the National Socialists and subsequently his writings and those of his circle were considered by some to be proto fascist It did not help his reputation that after the Second World War much of the criticism of his works was practiced by uncritical hagiographic George worshippers In recent years however there has been a renewed and unbiased interest among scholars and critics in George and his circle The wide ranging and original essays in this volume explore anew George's poetry and his contribution to Modernism the relation between his

vision of a New Reich and fascist ideology and his importance as a cultural critic Jens Rieckmann is Professor of German at the University of California Irvine *In Search of the Secret Germany*, 2002 Hinweis Stefan George Bibliographie Konferenz Queens College 20 22 03 2002 Cambridge **Circles of Resistance** John M. Cox, 2009 Circles of Resistance Jewish Leftist and Youth Dissidence in Nazi Germany analyzes resistance networks of young German Jews and other young dissidents during the Nazi dictatorship Young German Jewish radicals created an intellectually and politically vibrant subculture in Berlin the geographical focus of this study The youths analyzed here were reacting not only to Nazi oppression they were also driven to develop new modes of action and politics by their estrangement not only from German society but also from the traditional left parties and their post 1933 underground organizations and even from large segments of Berlin's Jewish community where radical activism was often regarded as counter productive and needlessly provocative At the center of this study are the Herbert Baum groups led by members of Germany's Communist Party KPD While the Baum groups were the largest they were but one of several resistance operations that were situated partially within the milieu created by Communists Socialists Trotskyists and radical Jewish youths Based on archival research in Germany Paris Amsterdam and Jerusalem and interviews with veterans of the anti Nazi resistance Circles of Resistance analyzes the overlap of these diverse social and political dimensions among dissident circles and offers a reconsideration of traditional thinking on leftist and Jewish resistance and youth subcultures of the Third Reich Circles of Resistance will be useful for undergraduate as well as graduate courses on Jewish history Nazi Germany and the Holocaust as well as courses devoted to the history of European socialism **Germany at the Fin de Siècle** Suzanne Marchand, David Lindenfeld, 2004-10-01 The phrase fin de siècle conjures up images of artistic experimentation and political decadence The contributors to this volume argue that Wilhelmine Germany best known for its industrial and military muscle also shared these traits Their essays look back to the years between 1885 and 1914 to find in Germany a mixture of sociopolitical malaise and experimental exhilaration that was similar in many ways to the better known cases of France and Austria Revising the view that the German Second Reich was merely a precursor to the Third this broad scoped study presents pre World War I Germany in its own fascinating and often contradictory terms The foundations of the antiliberal passions that would plague the Weimar Republic are evident but Wilhelmine society also had a lighter more playful and moderate spirit one that was largely extinguished by the Great War Blending social cultural and intellectual history the contributors a distinguished cross section of older and younger scholars trace changing German views on liberalism penal reform race women art popular culture and technology They juxtapose better known figures such as Max Weber Thomas Mann and Martin Heidegger with now forgotten individuals like the Jewish feminist novelist Grete Meisel Hess and the iconoclastic Swiss painter Arnold Böcklin Their essay topics range from the esoteric and erotic poetry of Stefan George to the Jewish comedy of the Herrnsfeld Theater Modernity is examined from the perspectives of bourgeois cinema goers and judicial reformers as well as from the viewpoint of Carl Jung The result is a

variegated picture of an unsettled world rich in its innovations ambitious in its undertakings and often apocalyptic in its dreams **Metabiography** Caitríona Ní Dhúill,2020-03-09 This book explores the contradictions of biography It charts shifting approaches to the writing and reading of biographies from post hagiographical attitudes of the Enlightenment heroic biographies of Romanticism and irreverent modernist portraits through to contemporary experiments in politically committed and hybrid forms of life writing The book shows how biographical texts in fact destabilise the models of historical visibility cultural prominence and narrative coherence that the genre itself seems to uphold Addressing the fraught relationships between genre and gender private and public image and text life and narrative that play out in the modern biographical tradition Metabiography suggests new possibilities for reading writing and thinking about this enduringly popular genre

Hölderlin After the Catastrophe Robert Ian Savage,2008 In each case Holderlin is examined as the occasion for salvaging that legacy after from and in view of the catastrophe This first full length study of Holderlin s postwar reception will be of interest to students and scholars working in the fields of German literature European philosophy the politics of cultural memory and critical theory BOOK JACKET *Stormtroopers* Daniel Siemens,2017-01-01 Introduction a night of violence Turmoil in post war Germany and the origins of the Nazi SA Stormtrooper street politics mobilization in times of crisis The SA cult of youth and violence in the Weimar Republic Terror excitement and frustration The R hm purge and the myth of the homosexual Nazi The transformation of the SA between 1934 and 1939 Streetfighters into farmers The SA and the Germanization of the European east Stormtroopers in the Second World War SA diplomats and the Holocaust in Southeastern Europe Not guilty the legacy of the SA in Germany after the Second World War Conclusion the SA and National Socialism

Michel Foucault and Power Today David A. Gabbard,Alain Beaulieu,2005-12-22 Foucault s thought finds innumerable applications across the social sciences from studies in the social aspects of the medical practices and criminal sociology to juridical and economic sciences Owing to their philosophical ramifications his ideas have also impacted the spheres of literary studies ethics political thought and critical ontology Few thinkers have left such an influence across such a diverse range of studies Contributors attempt to pay homage to that diversity by presenting a multidisciplinary series of analyses dedicated to the question of power today Drawn from a number of papers presented at an international conference entitled Michel Foucault and social Control conducted at Maison de la culture C te des Neiges in Montreal on May 8 10 2004 to commemorate the twentieth anniversary of Foucault s death the essays that comprise this volume address the issue at both a theoretical level and as it pertains to specific fields of practice In addition to paying tribute to Foucault s achievements and situating his thought within the French and larger European context from which it emerged these essays also re evaluate the relevance of Foucault s ideas for understanding contemporary conditions This book is suited for a broad academic audience in the humanities and Social Sciences especially philosophy sociology and cultural studies The Oxford Handbook of Nineteenth-Century Women Philosophers in the German Tradition Kristin Gjesdal,Dalia Nassar,2024 This

Oxford Handbook celebrates the work of trailblazing women in the history of modern philosophy Through thirty one original chapters it engages with the work of women philosophers spanning the long nineteenth century in the German tradition and covers women s contribution to major philosophical movements including romanticism and idealism socialism and Marxism Nietzscheanism feminism phenomenology and neo Kantianism It opens with a section on figures offering essays focused on fifteen thinkers in this tradition before moving on to sections of essays on movement and topics Across the volume s chapters essays examine women s contributions to key philosophical areas such as epistemology and metaphysics aesthetics ethics social and political philosophy ecology education and the philosophy of nature

The Enigmatic Realm of **Secret Germany Stefan George And His Circle**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Secret Germany Stefan George And His Circle Introduction

In today's digital age, the availability of Secret Germany Stefan George And His Circle books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Secret Germany Stefan George And His Circle books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Secret Germany Stefan George And His Circle books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Secret Germany Stefan George And His Circle versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Secret Germany Stefan George And His Circle books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Secret Germany Stefan George And His Circle books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Secret Germany Stefan George And His Circle books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Secret Germany Stefan George And His Circle books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Secret Germany Stefan George And His Circle books and manuals for download and embark on your journey of knowledge?

FAQs About Secret Germany Stefan George And His Circle Books

1. Where can I buy Secret Germany Stefan George And His Circle books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Secret Germany Stefan George And His Circle book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Secret Germany Stefan George And His Circle books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Secret Germany Stefan George And His Circle audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
