Secret Of M Dulong A Memoir:

The Secret of M. Dulong Colette Inez, 2005 Full of humor profundity and obsession these are tales of writers on peregrine paths Some set out in search of legends or artistic inspiration others seek spiritual epiphany or fulfillment of a promise Their journeys lead them variously to Dracula s castle Laura Ingalls Wilder s prairie the Grimms fairy tale road Mayan temples Nathaniel West s California the Camino de Santiago trail Scott s Antarctica the Marquis de Sade s haunted manor or the sacred city of Varanasi All of these pilgrimages are worthy journeys redemptive and serious But a time honored element of pilgrimage is a suspension of rules and there is absurdity and exuberance here as well **When "I" was Born** Jing M. Wang, 2008 In the period between the 1920s and 1940s a genre emerged in Chinese literature that would reveal crucial contradictions in Chinese culture that still exist today At a time of intense political conflict Chinese women began to write autobiography a genre that focused on personal identity and self exploration rather than the national collective identity that the country was championing When I Was Born Women s Autobiography in Modern China reclaims the voices of these particular writers voices that have been misinterpreted and overlooked for decades Tracing women writers as they move from autobiographical fiction often self revelatory and personal to explicit autobiographies that focused on women s roles in public life Jing M Wang reveals the factors that propelled this literary movement the roles that liberal translators and their renditions of Western life stories played and the way in which these women writers redefined writing and gender in the stories they told But Wang reveals another story as well the evolving history and identity of women in modern Chinese society When I Was Born adds to a growing body of important work in Chinese history and culture women s studies and autobiography in a global context Writers discussed include Xie Bingying Zhang Ailing Yu Yinzi Fei Pu Lu Meiyen Feng Heyi Ye Qian Bai Wei Shi Wen Fan Xiulin Su Xuelin and Lu Yin Whispers of Cruel Wrongs Mary Maillard, 2017-05-09 These letters written in part by the daughter of Harriet Jacobs offer profound insight into a hidden world the private lives of genteel African American women in the late nineteenth century **Masked** Alfred Habegger, 2014-06-30 A brave British widow goes to Siam and by dint of her principled and indomitable character inspires that despotic nation to abolish slavery and absolute rule this appealing legend first took shape after the Civil War when Anna Leonowens came to America from Bangkok and succeeded in becoming a celebrity author and lecturer Three decades after her death in the 1940s and 1950s the story would be transformed into a powerful Western myth by Margaret Landon s best selling book Anna and the King of Siam and Rodgers and Hammerstein s musical The King and I But who was Leonowens and why did her story take hold Although it has been known for some time that she was of Anglo Indian parentage and that her tales about the Siamese court are unreliable not until now with the publication of Masked has there been a deeply researched account of her extraordinary life Alfred Habegger an award winning biographer draws on the archives of five continents and recent Thai language scholarship to disclose the complex person behind the mask and the troubling facts behind the myth He also ponders the curious fit

between Leonowens's compelling fabrications and the New World's innocent dreams in particular the dream that democracy can be spread through quick and easy interventions Exploring the full historic complexity of what it once meant to pass as white Masked pays close attention to Leonowens's midlevel origins in British India her education at a Bombay charity school for Eurasian children her material and social milieu in Australia and Singapore the stresses she endured in Bangkok as a working widow the latent melancholy that often afflicted her the problematic aspects of her self-invention and the welcome she found in America where a circle of elite New England abolitionists who knew nothing about Southeast Asia gave her their uncritical support Her embellished story would again capture America's imagination as World War II ended and a newly interventionist United States looked toward Asia Best Books for General Audiences selected by the American Association of School Librarians Best Regional Special Interest Boosk selected by the Public Library Reviewers *As Told By Herself* Lorna Martens, 2022-10-25 Introduction Beginnings women's childhood autobiography prior to World War I The interwar years memoirs and semi-memoirs The interwar years the golden age of psychological self-portraiture Women's childhood autobiography during World War II Women's childhood autobiography from the end of the Second World War through the 1960s Conclusion Words of Witness Angela A. Ards, 2015 A literary and political genealogy of the last half century Words of Witness explores black feminist autobiographical narratives in particular by June Jordan Edwidge Danticat Melba Beals Rosemary Bray and Eisa Davis in the context of activism and history since the landmark 1954 segregation case Brown vs the Board of Education Conjoined Twins in Black and White Linda Frost, 2009-06-10 Conjoined twins have long been a subject of fantasy fascination and freak shows In this first collection of its kind Millie Christine McKoy African American twins born in 1851 and Daisy and Violet Hilton English twins born in 1908 speak for themselves through memoirs that help us understand what it is like to live physically joined to someone else Conjoined Twins in Black and White provides contemporary readers with the twins' autobiographies the first two show histories to be republished since their original appearance a previously unpublished novella and a nineteenth century medical examination each of which attempts to define these women and reveal the issues of race gender and the body prompted by the twins themselves The McKoy's born slaves were kidnapped and taken to Britain where they worked as entertainers until they were reunited with their mother in an emotional chance encounter The Hiltons cast away by their horrified mother at birth worked the carnival circuit as vaudeville performers until the WWII economy forced them to the burlesque stage The hardships along with the triumphs experienced by these very different sister sets lend insight into our fascination with conjoined twins *American Autobiography After 9/11* Megan Brown, 2017-01-10 In the post 9/11 era a flood of memoirs has wrestled with anxieties both personal and national **The Divided States** Laura J. Beard, Ricia Anne Chansky, 2023-01-10 What is an American identity The tension between populism and pluralism between homogeneity and heterogeneity has marked the United States since its inception In The Divided States leading scholars and critics argue that the US is and has always been a site where multiple national identities

intersect in productive and challenging ways Scrutinizing conflicting nationalisms and national identities the authors ask Whose stories get told and whose do not Who or what promotes the idea of a unified national identity in the United States How is the notion of a unified national identity disrupted What myths and stories bind the US together How representative are these stories What are the counternarratives And if the idea of national homogeneity is a fallacy what does tie us together as a nation Working across auto biography studies American studies and human geography all of which deal with the current interest in competing narratives alternative facts and accountability the essays engage in and contribute to critical conversations in classrooms scholarship and the public sphere The authors draw from a variety of fields including anthropology class analysis critical race theory diasporic refugee and immigration studies disability studies gender studies graphic and comix studies Indigenous studies linguistics literary studies sociology and visual culture And the genres under scrutiny include diary epistolary communication digital narratives graphic narratives literary narratives medical narratives memoir oral history and testimony This fresh and theoretically engaged volume will be relevant to anyone interested in the multiplicity of voices that make up the US national narrative *Four Russian Serf Narratives* John MacKay, 2009-11-24

Although millions of Russians lived as serfs until the middle of the nineteenth century little is known about their lives Identifying and documenting the conditions of Russian serfs has proven difficult because the Russian state discouraged literacy among the serfs and censored public expressions of dissent To date scholars have identified only twenty known Russian serf narratives *Four Russian Serf Narratives* contains four of these accounts and is the first translated collection of autobiographies by serfs Scholar and translator John MacKay brings to light for an English language audience a diverse sampling of Russian serf narratives ranging from an autobiographical poem to stories of adventure and escape

Autobiography 1785 recounts a highly educated serf's attempt to escape to Europe where he hoped to study architecture The long testimonial poem *News About Russia* ca 1849 laments the conditions under which the author and his fellow serfs lived In *The Story of My Life and Wanderings* 1881 a serf tradesman tells of his attempt to simultaneously escape serfdom and captivity from Chechen mountaineers The fragmentary *Notes of a Serf Woman* 1911 testifies to the harshness of peasant life with extraordinary acuity and descriptive power These accounts offer readers a glimpse from the point of view of the serfs themselves into the realities of one of the largest systems of unfree labor in history The volume also allows comparison with slave narratives produced in the United States and elsewhere adding an important dimension to knowledge of the institution of slavery and the experience of enslavement in modern times
