Home and Beyond Morris Allen Grubbs, 2013-04-06 A bountiful smorgasbord of classic and lesser known stories by accomplished Kentucky writers who provide a feast for readers of modern short fiction Ann Charters author of *The Story and Its Writer* With an introduction by Wade Hall Morris Grubbs has sifted through vintage classics little known gems and stunning debuts to assemble this collection of forty stories by popular and critically acclaimed writers In subtle and profound ways they challenge and overturn accepted stereotypes about the land their authors call home whether by birth or by choice Kentucky writers have produced some of the finest short stories published in the last fifty years much of which focuses on the

tension between the comforts of community and the siren like lure of the outside world Arranged chronologically from Robert Penn Warren s Blackberry Winter to Crystal E Wilkinson s Humming Back Yesterday these stories are linked by their juxtaposition of departures and returns the familiar and the unknown home and beyond The story of the Commonwealth of Kentucky is told and retold by a mixed but balanced chorus of voices that sings like the wind down the ridges and along the creekbeds Appalachian Journal Readers needn t be from Kentucky to appreciate these stories Prepare to be wowed by these superior examples of the form The Bloomsbury Review From Robert Penn Warren to Bobbie Ann Mason Kentucky hatches writers like other states create tourist traps The Nashville Tennessean If you love Kentucky authors this anthology of short stories is a must for your Kentucky collection Bourbon Times *Secrets of the Apostles* W.C. Hinzie, 2011-09-07 This study describes the lives of the twelve disciples called by Jesus Christ for training repentance and transformation into effective and spirit filled apostles They were charged with establishing the Church of Jesus Christ in the hostile world of Jewish Greek Roman and many other groups of intense unbelievers They were laymen untrained in deep Jewish doctrine but practiced as businessmen and filled with zeal for the Jewish Messiah to return They wanted to be a part of his new kingdom and expected major roles in ruling Israel They became the first of many converts to see that the Jews had missed the heart of Gods message and the new message was that they would die to their own minds wills and emotional structures and replace it with the will of their Father through the Holy Spirit Jesus taught them for more than ten thousand hours of practical ministry teaching and supernatural endowment during their time together This is considerably more hours than it takes to achieve a doctorate in theology today In this time they were still incapable of standing up to the Jewish authorities until endued with power from on high at Pentecost These secrets which the apostles found in their ministries will help the disciple who is serious about transforming his or her life and knowledge of the Gospel into effective ministry
