Rielly, 2000-04-15 Lean the techniques strategies and history of Japanese Shotokan Karate with this illustrated martial arts guide Generously illustrated with over 700 clear photos The Secrets of Shotokan Karate offers an in depth look at the world s most popular martial art with strategies techniques and drills to guide new students to proficiency and to help established practitioners excel Sixth degree black belt Robin Rielly provides a comprehensive guide to the fundamentals and theory of Shotokan interwoven with relevant philosophy and historical context This book offers expert instruction and a greater understanding and appreciation of the art Topics covered include basic physiological psychological principles principles of physical movement elements of fighting sparring drills strategy kata

Shotokan's Secret Bruce D. Clayton, 2004 Reveals the origins and purpose of the art of shotokan This book describes how karate was invented by the world s only unarmed bodyguards to protect the world s only unarmed king the king of Okinawa against Americans *Shotokan Mysteries 1/4y.Su, Ia* Kousaku Yokota, 2013-03-28 **Shotokan Mysteries** Kousaku Yokota, 2016-10-03 Shotokan Mysteries communicates Kousaku Yokota s work and research into the great deep golden chest of our continued rediscovery of Shotokan karate in a positive and reflective approach This book reaches out openly guiding the reader into recognizing karate as a whole thing itself paving the way to allow for questions and the subsequent answers to run side by side in a noncritical way and transcending any misinterpretation or misunderstanding in practice and cultural relationships to the topics and chapters contained within its pages As the title suggests the aim of the book is to clear up and correct many collective myths about Shotokan karate Of course the author s work and research aren t just directed at the Shotokan community They can be easily accessed and applied to all areas of training within the martial arts genre He does this by simply describing that a lack of knowledge can be easily changed by challenging and changing your own personal understanding taking down the boundaries of stuck thought and what is termed far too often as right and wrong and dispelling the myths which surround our shared art The information in whatever form the author puts it forward transfers to the collective minds of those who share our common passion and is routinely communicated in such a straightforward way that it allows absolutely anyone from any culture or walk of life to understand better and at a higher level the martial art which they have chosen to do This the author does with humility displaying a continuous spirit and correctness reflected in his lifelong practice of karatedo Shotokan Myths Kousaku Yokota, 2020-04-21 This is the third edition of this work Although there has been a lot of history and information published and written about Shotokan karate in many cases it is incomplete and sometimes inaccurate It is the author s belief that valuable information should be passed down accurately and compiled in one place for easy reference In this book Shotokan Myths the author has extensively assembled a plethora of information relating to the historical philosophical technical and fundamental aspects of Shotokan karate He gives straightforward answers to questions that anyone interested in the Japanese martial arts would like to know

as well as more thoughtful and thought provoking answers to questions that are more insightful The material covered in this book is simple and straightforward enough for beginners to understand yet diverse and comprehensive enough for experienced martial artists to enjoy The covered topics provoke all martial artists to think about what they know and challenge them to further rethink or explore their understanding to increase their knowledge The author has trained with many Shotokan karate masters of old They had a profound impact on his karate training and he brings with him this living history By sharing his thoughts and opinions in this book he hopes to pass on an accurate history his own experience and the knowledge that he gained through his many years of training and teaching to the next generation of karate martial arts practitioners The author believes that to study karate is not to merely practice its physical movements but also to understand and respect its history and philosophy as well as to continuously challenge oneself mentally and intellectually He does not expect you to agree with everything he says but to have an open mind and not accept everything at face value He expects you to look at things from an informed point of view and make your own decisions

The Secret Art of Pressure Point

Fighting Vince Morris, 2008-05-28 From a ninth Dan Master a guide to disabling anyone using minimal force with 300 step by step photos showing each vital point and strike Ancient martial arts legends tell of masters who possess a mysterious ability to defeat an opponent and in some cases even cause death with one perfectly placed blow The Secret Art of Pressure Point Fighting transforms the myth into a modern anatomically based self defense technique that allows smaller defenders to defeat larger attackers by striking at the vulnerable points on their bodies Written by one of the world's leading authorities and clearly illustrated with photos of each pressure point this book shows how knowledge of the body's vulnerable points can enhance both competitive fighting and personal self defense skills The Secret Art of Pressure Point Fighting doesn't teach theoretical strikes it presents the actual moves used throughout the world by military special forces and law enforcement agencies to disable opponents as quickly as possible The moves in this book are straightforward and easy to learn They are designed to empower anyone regardless of size or physical strength with the ability to stop an attacker using a minimal amount of physical strength
