Nelson, 2022 Drawing on 160 published memoirs this book explores the costs and benefits in the post WWII period in the United States both for individuals and for families of keeping secrets about homosexuality institutionalization of children with disabilities unwed pregnancy involvement in left wing political activities adoption and Jewish ancestry

Liberation Bowen Greenwood, 2023-06-18 Once telepaths called Archons almost wiped out humankind Centuries later a brotherhood called the Gentle Hand lives to keep it from happening again But they failed The Archons are back Mind control is back Earth itself fell to the Exile invasion and languishes under enemy occupation One of the only survivors of the fall Langston Wheeler leads the remnant of the Gentle Hand as they flee through space hunted a shadow of one time glory But the only allies he can find insist that he turn the tables and take the fight to their enemy no matter the cost Once a Gentle Hand Cleo Sable chose the wrong side in the war Her telekinetic abilities rocket her to the top of the Archon ranks but at the pinnacle of power she finds only a brutal fight for the throne where she must win or die To survive she'll have to lead the war effort against the man she might still love The Exile War explodes across the stars Langston and Cleo grapple with choices that change not just their own lives but the destiny of worlds And a desperate counterattack flies straight into the teeth of a new weapon of mass destruction

Legion of Traitors Bowen Greenwood, 2023-06-16 Once telepaths almost wiped out humankind Centuries later a brotherhood called the Gentle Hand lives to keep it from happening again But their foundation crumbles at the moment their ancient enemy brings war back to Earth Langston Wheeler a young Hand with a scandalous past survives the first strike in an interstellar war He comes home to warn his fellow Gentle Hands of a shadowy threat already at their door But his message falls on deaf ears not least because everyone remembers his infamous dalliance with a woman he should never have loved Cleo Sable endured nearly six years of exile before the call came summoning her back to Earth for the war Coming home is sweet Sweeter still is the thought of the man she left behind the man for whom she gave up everything But the first thing she sees on the voyage out of exile is Langston Wheeler in the arms of another woman Lang and Cleo must face their past and understand their future if they have one But the rules of the Gentle Hand won't let them be together and the war won't give them time to figure it out Each must choose between the path of service and the path of power with no guarantee

that the other will make the same choice Their decisions echo across the stars as cataclysmic war explodes all around them plunging the Gentle Hand into a bloody fight for their very survival **Mercy Rising** Bowen Greenwood,2023-05-01 A Girl A Mysterious Power A Revolution The Archon Dominion crushes all dissent Mercy Hail wants change no matter the cost to herself But freak accidents keep happening around her and she can t explain why So when she lights the fuse on an uprising it s not exactly a surprise when everything goes wrong at once The Dominion sends Dante Matter to Mercy s world with a simple set of orders Find the girl with emerging telekinetic powers and put her to work for us Nobody warned him she d be beautiful though Nobody warned him her gifts would be greater than his own And nobody warned him that his hunt would be the first battle in an interstellar war In a world where gifts like hers have been all but extinguished Mercy must choose sides in a war that will spread across the stars To survive she ll have to learn how to use her power learn how she feels about Dante and learn the true story of the past that made her who she is **Hope for Mercy** Bowen Greenwood,2023-06-18 One time lovers clash in an apocalyptic battle for the soul of Human Space The cost of winning may be more than Langston Wheeler ever imagined Once telepaths called Archons almost wiped out humankind Long after that war a brotherhood called the Gentle Hand worked to keep it from happening again They failed The Archons are back Mind control is back All of Human Space is at war and an Archon ship laden with their deadliest soldiers bears down on the Gentle Hands home Langston Wheeler a Gentle Hand with a tortured past leads what s left of his order The Exile War has left them battered and desperate without the numbers to fight this new threat Worse almost none of them believe in Langston because he can t keep his most dangerous secret He s in love with the woman who leads their enemy Cleo Sable once a Gentle Hand now Ruler of the Archons commands the force bearing down on Wheeler and his allies Thousands of powerful telepaths ride with her She wants more than victory in the Exile War She wants justice for everything Langston cost her When they meet in a final apocalyptic battle for the soul of Human Space Cleo has a mind bending surprise for Langston The cost of saving everything he loves may be higher than he ever imagined *Exile War: The Second Boxed Set* Bowen Greenwood,2025-02-09 The Archon Dominion crushes all dissent Mercy Hail wants change no matter the cost to herself But freak accidents keep happening around her and she can t explain why So when she lights the fuse on an uprising it s not exactly a surprise when everything goes wrong at once Reviewers have called this a grittier Star Wars with a slow burn enemies to lovers romance The three books in this digital boxed set are perfect for readers who ve never read any other book in this series [Inferno: An Exile War Novel](#) Bowen Greenwood, A race against time to overthrow a tyrannical interstellar regime The Archon Dominion grinds the planet Summerwell under the heel of its boot Mercy Hail started an uprising but it s a long road to freedom and the Archons have reinforcements coming Even with outside help liberating her people won t be easy especially when things get complicated with one of the Archons Dante Matter isn t sure he s on the right side Archon society is cruel The strong survive and the weak are crushed He s made it this far but his future isn t clear and he s not sure it s a future he

wants Mercy Hail is on the other side of the war and she s the only future he cares about A desperate uprising flares into white hot war as two interstellar empires clash over the farm planet Summerwell To survive Mercy and Dante will need all their abilities all their courage and all the help they can get More than just their planet all of Human Space hangs in the balance in Exile War Inferno

The Son of Man in the Parables of Enoch and in Matthew Leslie W. Walck, 2011-04-14 This book examines all the relevant passages containing the Term Son of Man in both Matthew and the Parables of Enoch Depictions of the Son of Man in the Gospel of Matthew and in the Parables of Enoch Par En raise questions about their relationship The meaning and origin of the term Son of Man are discussed as well as the possible influence of Par En on Matthew Literary Redaction Sociological and Narrative criticisms are employed Introductory questions of date provenance and social setting are addressed for both Matthew and Par En Dates as early as the early second century bce and as late as the late third century ce have been proposed for Par En but a consensus seems to be growing for the late first century bce Therefore Matthew could have known Par En Sociological methodologies reveal that the author and audience of Par En may have been members of an ousted ruling elite opposed to the current administration and yearning for a just reversal of fortunes Sets of characteristics of the Son of Man in Par En and Matthew are developed and the term is examined briefly in the other Gospels Then the two sets of characteristics are carefully compared Similarities in vocabulary as well as in the pattern of relationships prove to be intriguing showing that Matthew and Par En in contrast to other writings share a unique conception of the judgment scene focussed on the Son of Man as eschatological judge This suggests quite strongly the shaping of Matthew s concept in the direction of Par En
