Secrets From Ordinary Places Finding God In The Every Day:

Secrets from Ordinary Places Ruth Senter,1990 **A Christian Woman's Secret** Lilian Staveley,2009-03-31

Possessing an extraordinary love for God Protestant Lilian Staveley 1878 1928 teaches us to combine an inner and hidden dialog with Jesus Christ along with an outward life of everyday duties In her times she knew that many men even otherwise great and holy men looked down on womankind Therefore choosing to keep the depths of her relationship with God a secret she published three books anonymously which are presented here in an edited compilation **Secret Longings of the Heart** Carol Kent,2014-02-27 While the Lord knows your deepest longings and passions you are not always aware of them yourself Daringly honest powerfully encouraging and thoroughly biblical **Secret Longings of the Heart** helps women explore their desire for victory over 10 areas of life This Bible study examines which attitudes lifestyles and behaviors can lead to fulfillment in Christ Includes discussion questions ***Finding God Today*** E. Springs Steele, **Surrounded by Mystery** Ruth Senter,1988 ***Pilgrim Spirituality*** Rodney Aist,2022-04-13 A pilgrim themed spirituality for Christian formation Pilgrim Spirituality resources everyday Christianity congregational life social outreach and religious travel through definitional frames of pilgrimage Pilgrimage is a prominent biblical image Yet despite its contemporary resurgence its capacity for Christian formation remains untapped While our understanding of pilgrimage has been too narrow we lack a definitional framework that fosters transformational practice Definitions matter thought creates possibilities and intentionality enhances experience Recognizing pilgrimage as a comprehensive expression of the Christian life Pilgrim Spirituality provides tools for perceiving spiritual possibilities engaging situational context and interpreting lived experience Espousing both personal and social holiness Pilgrim Spirituality gives definitional status to the Other attends to the self and seeks the presence of God in the facts in which we find ourselves Pilgrim Spirituality examines Christian concepts of time place and journey while emphasizing the personal corporate incarnational metaphorical and tensional character of the pilgrim life Exploring the motives experiences and practices of pilgrimage Pilgrim Spirituality resources readers in their destinational pursuit of the Christian faith the union of God self and the Other **The Romance of the Soul** Lilian Staveley,2022-08-01 In **The Romance of the Soul** Lilian Staveley presents a profound exploration of the inner self through a unique blend of lyrical prose and philosophical inquiry This book navigates the intricate landscape of human emotions spirituality and the quest for authenticity establishing a narrative that resonates deeply with readers seeking understanding of their inner landscapes Staveley s writing style employs rich imagery and evocative language reflecting influences from the Romantic era while intertwining contemporary psychological insights offering a literary tapestry that both captivates and enlightens Lilian Staveley born in the early 20th century lived through significant cultural shifts that informed her writing A thinker deeply engaged with the spiritual and psychological narratives of her time Staveley was influenced by her studies in philosophy and theology which underpin her exploration of the soul s journey in this work Her own experiences of loss and

transformation echo throughout the text lending authenticity and depth to her reflections The Romance of the Soul is a must read for those interested in the intersection of literature and spirituality Its insights into the human condition provide a mirror for readers to reflect on their own journeys making it an invaluable addition to any literary or philosophical collection

The Universal Antidote Eastwood Bempoh, 2021-02-02 There is no human knowledgeable enough to have avoided the inevitable experience of what has been labeled a problem There is no human prudent enough to spot all potential outcomes Therefore as a result there is indeed no human wise enough to avoid the path of a problem Problems are the result of the misuse of one's will A problem free world is a will free world The only way to be free of problems is if everything was definite and there was no possibility for change But how can all things be definite if we have the ability to choose against what will make us problem free It is wise to trust that the sun will rise the following morning after night falls because it has established consistency in its expression It is also wise to have matured your trust in the act of converting water into ice by the reduction of temperature because again this has been a consistent outcome But is it wise to trust that your fellow friend will be there for you every time you need them I presume not So as long as there is consistency in expression the possibility of change is unlikely and the outcome of prediction given it supports the consistent expression will be guaranteed In simplest terms our inability to secure a singular and definite expression without change is the cause of our problems This is the reason for distrust You are less likely to trust a stranger because you have not been present to observe a consistency in a particular expression of behavior so you are less likely to trust them because you are well aware of their ability to choose to do as they please therefore rendering the free will of mankind the root cause of all problems Nevertheless although it has been established that our will to choose especially under the influence of ignorance has rendered the abilities of prudence in such regard limited Wisdom however can profit highly from the limitations of prudence to avoid the issues of ignorance This is said to say although we may not be able to avoid problems we can surely solve them So I hereby entail my words of wisdom that is to say I am offering the cure to all problems the universal antidote of which I have formulated as an answer to my riddle My presence is the solution to all problems and my absence is the cause what am I Ladies and Gentlemen my name is Eastwood Bempoh and I want to introduce to you The universal antidote This book explains The Bempoh Quantification Tree of all Problems including the following below The 4 categories all problems fall under The 2 realms problems come from The 3 aspects of your being that are affected by problems How to cure and prevent such problems given you choose to remain consistent in certain dealings And much more This book will help you overcome Fear Sickness Unforgiveness And more

An Intentional Life Andrew Fitz-Gibbon, 2012-10-17 Author Andrew Fitz-Gibbon writes These musings are something of a window on my spiritual and philosophical journey The journey did not begin recently nor does it end with the last of these reflections These serve as but a glimpse into my personal odyssey Though these reflections are not in any way polished philosophy nor systematic theology the careful reader will be able to piece together what I think about metaphysics what is

the case epistemology how we know what we think we know ethics how we ought to live and aesthetics what is beautiful and why I comment also on understandings of God Christ Christianity the Buddha Daoism and interfaith dialogue My Utmost for His Highest Oswald Chambers,2022-04-26 My Utmost for His Highest has been a proven best selling devotional for many years Over the past century Oswald Chambers s writings have inspired countless people to drink deeply from the biblical truths that he so passionately championed His words are simultaneously penetrating and invigorating and they trigger something in your soul leaving you forever changed The biblical thoughts and themes that Chambers delivers in this updated language edition will resonate with you as you seek to grow your faith We have also included the topical section You need to purchase the ebook to get both books otherwise it is only preview
