Les 5 messagers et les 40 secrets, *Fortune's Secrets* Emily K. Reuter, 2011-08 Music might soothe the savage beast, but can it save Yelena's life? Weaving her way through the glamorous world of upper-crust Manhattan society, Yelena Vega seems to have everything any young socialite could wish for. Internationally acclaimed as a prodigy musician, she is surrounded by adoring fans and a doting family of overprotective males. But all fairy tales have secrets and horrors behind their picture-perfect facade. When the family secrets turn too dangerous, former gun-for-hire Daniel Cruz is brought in as Yelena's bodyguard. The professional relationship spans more than a decade, and Daniel eventually becomes much more to Yelena than just hired muscle. Can he withstand the painful secrets from his own past and protect both her life and her heart? Surrounded by the pressure-filled world of musical fame as the inheritor of the richest family in America, Yelena gradually finds that there are horrifying secrets even she does not know. As her tale unravels, she finds that organized crime, murder, kidnapping, and sexual abuse may be just some of the secrets casting shadows on Yelena's otherwise charmed life. Can she survive these threats and the other truths revealed in *Fortune's Secrets*? Author Emily K.
