The Secret of Culture Change Jay B. Barney, Manoel Amorim, Carlos Júlio, 2023-08-08 Find out how bold actions by visionary leaders can inspire powerful stories that drive culture change Data indicates that most strategic efforts to change a company's culture fail So how do companies succeed in this endeavor A top strategy professor and two highly successful CEOs found that in companies that had successfully changed their culture leaders had taken dramatic actions that embodied the new cultural values These actions inspired stories that became company legends repeated in every department and handed on to new employees Through compiling and analyzing 150 stories from business leaders who have achieved change they identified 6 attributes that every successful culture change story has in common 1 The actions are authentic 2 They revolve around the CEO 3 They signal a clean break with the past and a clear path to the future 4 They appeal to employee heads and hearts 5 They're often theatrical or dramatic 6 They're told and re told throughout the organization With extensive and inspiring examples of stories containing these attributes the authors illustrate how readers can harness the power of stories within their company in order to change or create a winning culture to align with any strategy

My Secret Life on the McJob: Lessons from Behind the Counter Guaranteed to Supersize Any Management Style Jerry Newman, 2007-01-02 Once upon a time a Ph D went to work at Mickey D's And what he found was illuminating Jerry Newman a college professor who has taught business courses for nearly 30 years went undercover as a bottom rung worker for the biggest names in fast food including McDonald's and Burger King Newman found that fast food chains were the perfect petri dishes for covert research High pressure high volume businesses with high employee turnover The pecking order was also crystal clear from fry cook all the way up to store manager Of the seven restaurants where Newman worked some were high morale high productivity machines Others were miserable misplaced circles of hell Yet one common trait stuck out from them all Each restaurant's respective manager determined the climate of the work environment Go behind the fast food counter with Newman and see what happens on an average day on the McJob how the restaurants are run for better or worse how managers reward good employees when raises are impossible believe it or not bosses give em more hours and it works how morale and motivation spring directly from the manager's office and how a few simple adjustments to your own management style the Supersized Management Principles in this book can transform and invigorate your workplace
