## **Louis D Brandeis Justice For The People:**

Louis D. Brandeis Philippa Strum,1989      *People's Lawyers* Diana Klebanon, Franklin L Jonas, Diana Klebanow,2020-07-24 Throughout America s history lawyers with a crusading zeal have through their moral stance intellectual integrity and sheer brilliance made use of the law to fight social injustice In short biographical chapters the authors tell the stories of ten of these lawyers Some are well known Thurgood Marshall William Kunstler Louis Brandeis Morris Dees Clarence Darrow and Ralph Nader Others are not so well known but deserve to be All are fascinating and influential attorneys and examination of their lives illuminates key issues in American history An annotated bibliography a chronology of the person s life and work and a helpful table detailing their most prominent cases accompany each chapter

United States Jewry, 1776-1985 Jacob Rader Marcus,2018-02-05 Marcus follows the movement of these GermanJews into all regions west of the Hudson River      The Supreme Court of the United States Commission on the Bicentennial of the United States Constitution,1992 *The Beginning and Its Justice*      *Jews and American Public Life* David G. Dalin,2022-05-24 Over a career spanning forty years David G Dalin has written extensively about the role of American Jews in public life from the nation s founding to presidential appointments of Jews to lobbying for the welfare of Jews abroad to Jewish prominence in government philanthropy intellectual life and sports and their one time prominence in the Republican Party His work on the separation of Church and State and a prescient 1980 essay about the limits of free speech and the goal of Neo Nazis to stage a march in Skokie Illinois are especially noteworthy Here for the first time are a collection of sixteen of his essays which portray American Jews who have left their mark on American public life and politics      **Militant Zionism in America**

Rafael Medoff,2002-07-02 Relates an important and neglected chapter of American Jewish history      Muckrakers Edd Applegate,2008-04-18 During the 1800s the United States progressed at a remarkable rate Commerce gave rise to regional specialization and contributed to the growth of cities By 1860 the nation had prospered to the extent that it no longer depended on Europe to purchase its goods Innovations in technology helped increase production especially in textiles and transportation projects helped reduce costs of certain products As the country progressed so did its citizenry and their attention to certain interests movements on issues like women s rights capital punishment workers rights education and mental health swept across the country As these groups advanced their causes a kind of journalism began to capture readers attention the expos Although examples similar to it had appeared occasionally in various publications years before it became more prevalent at the turn of the century In the spring of 1906 President Theodore Roosevelt delivered a speech in which he compared certain crusading journalists to a character in John Bunyan s *Pilgrim s Progress* There is filth on the floor and it must be scraped up with the muckrake and there are times and places where this service is the most needed of all the services that can be performed In *Muckrakers* A Biographical Dictionary of Writers and Editors Professor Edd Applegate profiles the men and women who either wrote muckraking journalism or edited publications that featured muckraking

articles Some of the most important figures of journalism are here including Nellie Bly Upton Sinclair Lincoln Steffens George Kennan Jack London Frank Norris Rachel Carson George Seldes and I F Stone The book contains more than fifty entries each discussing the subject's professional career and major works In some cases comments about the subject's work by others have been included as well as suggestions for further reading As a resource guide Muckrakers will be of interest to professors scholars and students interested in learning more

**Jews on Trial** Bruce Afran, 2005 All are true presented with balance and clarity by lawyers and scholars Jacket

*Winning the War on Poverty* Brian L. Fife, 2018-04-12 Applying lessons from history to the reality of poverty today in the United States the most affluent country in the world this book analyzes contributing factors to poverty and proposes steps to relieve people affected by it American history is replete with efforts to alleviate poverty While some efforts have resulted in at least partial success others have not because poverty is a multifaceted complicated phenomenon with no simple solution *Winning the War on Poverty* studies the history of poverty relief efforts in the United States dating to the 19th century debunking misperceptions about the poor and tackling the problem of the ever widening gap between the rich and poor It highlights the ideological differences between liberal and conservative beliefs and includes insights drawn from a well rounded group of disciplines including political science history sociology economics and public health Premised on the idea that only the lessons of history can help policymakers recognize that the United States has a persistent poverty problem that is much worse than it is in many other democracies the book suggests an 18 point plan to substantively address this dilemma Its vision for reform does not pander to any particular ideology or political party rather this book explains how the United States can win the war on poverty in the short term

**Harvard Law Review: Volume 130, Number 9 - Bicentennial Issue 2017** Harvard Law Review, 2017-11-01 *The Transformation of American Law, 1870-1960* Morton J. Horwitz, 1994-12-15 When the first volume of Morton Horwitz's monumental history of American law appeared in 1977 it was universally acclaimed as one of the most significant works ever published in American legal history The New Republic called it an extremely valuable book Library Journal praised it as brilliant and convincing And Eric Foner in The New York Review of Books wrote that the issues it raises are indispensable for understanding nineteenth century America It won the coveted Bancroft Prize in American History and has since become the standard source on American law for the period between 1780 and 1860 Now Horwitz presents The Transformation of American Law 1870 to 1960 the long awaited sequel that brings his sweeping history to completion In his pathbreaking first volume Horwitz showed how economic conflicts helped transform law in antebellum America Here Horwitz picks up where he left off tracing the struggle in American law between the entrenched legal orthodoxy and the Progressive movement which arose in response to ever increasing social and economic inequality Horwitz introduces us to the people and events that fueled this contest between the Old Order and the New We sit in on *Lochner v New York* in 1905 where the new thinkers sought to undermine orthodox claims for the autonomy of law and watch as Progressive thought first crystallized We meet

Oliver Wendell Holmes Jr and recognize the influence of his incisive ideas on the transformation of law in America We witness the culmination of the Progressive challenge to orthodoxy with the emergence of Legal Realism in the 1920s and 30s a movement closely allied with other intellectual trends of the day And as postwar events unfold the rise of totalitarianism abroad the McCarthyism rampant in our own country the astonishingly hostile academic reaction to *Brown v Board of Education* we come to understand that rather than self destructing as some historians have asserted the Progressive movement was alive and well and forming the roots of the legal debates that still confront us today The Progressive legacy that this volume brings to life is an enduring one one which continues to speak to us eloquently across nearly a century of American life In telling its story Horwitz strikes a balance between a traditional interpretation of history on the one hand and an approach informed by the latest historical theory on the other Indeed Horwitz s rich view of American history as seen from a variety of perspectives is undertaken in the same spirit as the Progressive attacks on an orthodoxy that believed law an objective neutral entity *The Transformation of American Law* is a book certain to revise past thinking on the origins and evolution of law in our country For anyone hoping to understand the structure of American law or of America itself this volume is indispensable

*The Biography Book* Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

*Louis D. Brandeis*, 1935 Autographed photograph handwritten note

America Louis Dembitz Brandeis born November 13 1856 died October 5 1941 was an Associate Justice on the Supreme Court of the United States from 1916 to 1939 He was born in Louisville Kentucky to Jewish immigrant parents who raised him in a secular home He enrolled at Harvard Law School graduating at the age of twenty with the highest grade average in the college s history Brandeis settled in Boston where he became a recognized lawyer through his work on progressive social causes Starting in 1890 he helped develop the right to privacy concept by writing a Harvard Law Review article of that title and was thereby credited by legal scholar Roscoe Pound as having accomplished nothing less than adding a chapter to our law He later published a book titled *Other People s Money And How the Bankers Use It* suggesting ways of curbing the power of large banks and money trusts which partly explains why he later fought against powerful corporations monopolies public corruption and mass consumerism all of which he felt were detrimental to American values and culture He also became active in the Zionist movement seeing it as a solution to antisemitism in Europe and Russia while at the same time

being a way to revive the Jewish spirit When his family's finances became secure he began devoting most of his time to public causes and was later dubbed the People's Lawyer He insisted on serving on cases without pay so that he would be free to address the wider issues involved The Economist magazine calls him A Robin Hood of the law Among his notable early cases were actions fighting railroad monopolies defending workplace and labor laws helping create the Federal Reserve System and presenting ideas for the new Federal Trade Commission FTC He achieved recognition by submitting a case brief later called the Brandeis Brief which relied on expert testimony from people in other professions to support his case thereby setting a new precedent in evidence presentation In 1916 President Woodrow Wilson nominated Brandeis to become a member of the Supreme Court However his nomination was bitterly contested partly because as Justice William O Douglas wrote Brandeis was a militant crusader for social justice whoever his opponent might be He was dangerous not only because of his brilliance his arithmetic his courage He was dangerous because he was incorruptible and the fears of the Establishment were greater because Brandeis was the first Jew to be named to the Court He was eventually confirmed by the Senate by a vote of 47 to 22 on June 1 1916 21 Republican Senators and one Democratic Senator voted against his nomination and became one of the most famous and influential figures ever to serve on the high court His opinions were according to legal scholars some of the greatest defenses of freedom of speech and the right to privacy ever written by a member of the Supreme Court

*The Supreme Court Justices: Illustrated Biographies* Clare Cushman, 2013 Book

Description The Supreme Court Justices Illustrated Biographies 1789 2012 Third Edition provides a single volume reference profiling every Supreme Court justice from John Jay through Elena Kagan An original essay on each justice paints a vivid picture of his or her individuality as shaped by family education pre Court career and the times in which he or she lived Each biographical essay also presents the major issues on which the justice presided Essays are arranged in the order of the justices appointments Lively anecdotes along with portraits photographs and political cartoons enrich the text and deepen readers understanding of the justices and of the Court The volume includes an extensive bibliography and is indexed for easy research access New in this edition are a foreword by Chief Justice John G Roberts a revised essay on Chief Justice William H Rehnquist updated essays on sitting or recently retired members of the court new biographies for Chief Justice John G Roberts and Associate Justices Samuel A Alito Elena Kagan and Sonia M Sotomayor an updated listing of members of the Supreme Court with appointment and confirmation dates and an updated bibliography with key sources on the Supreme Court and the justices For insightful background and lively commentary on the individuals who have served on the Supreme Court of the United States there is no better reference than this updated new volume This is a vital reference work for researchers students and others interested in the Supreme Court's past present and future

*Liberty, Equality, and Justice* Ross Evans Paulson, 1997 A history of social change at a critical period in American history from the end of the Civil War to the early days of the Depression

We the Corporations Adam Winkler, 2018-02-27 National Book Award for Nonfiction

Finalist National Book Critics Circle Award for Nonfiction Finalist A New York Times Notable Book of the Year A Washington Post Notable Book of the Year A PBS Now Read This Book Club Selection Named one of the Best Books of the Year by the Economist and the Boston Globe A landmark expos and deeply engaging legal history of one of the most successful yet least known civil rights movements in American history Washington Post In a revelatory work praised as excellent and timely New York Times Book Review front page Adam Winkler author of Gunfight once again makes sense of our fraught constitutional history in this incisive portrait of how American businesses seized political power won equal rights and transformed the Constitution to serve big business Uncovering the deep roots of Citizens United he repositions that controversial 2010 Supreme Court decision as the capstone of a centuries old battle for corporate personhood Tackling a topic that ought to be at the heart of political debate Economist Winkler surveys more than four hundred years of diverse cases and the contributions of such legendary legal figures as Daniel Webster Roger Taney Lewis Powell and even Thurgood Marshall to reveal that the history of corporate rights is replete with ironies Wall Street Journal We the Corporations is an uncompromising work of history to be read for years to come

**Democratic Justice: Felix Frankfurter, the Supreme Court, and the Making of the Liberal Establishment** Brad Snyder, 2022-08-23 The definitive biography of Felix Frankfurter Supreme Court justice and champion of twentieth century American liberal democracy The conventional wisdom about Felix Frankfurter Harvard law professor and Supreme Court justice is that he struggled to fill the seat once held by Oliver Wendell Holmes Scholars have portrayed Frankfurter as a judicial failure a liberal lawyer turned conservative justice and the Warren Court's principal villain And yet none of these characterizations rings true A pro government pro civil rights liberal who rejected shifting political labels Frankfurter advocated for judicial restraint he believed that people should seek change not from the courts but through the democratic political process Indeed he knew American presidents from Theodore Roosevelt to Lyndon Johnson advised Franklin Roosevelt and inspired his students and law clerks to enter government service Organized around presidential administrations and major political and world events this definitive biography chronicles Frankfurter's impact on American life As a young government lawyer he befriended Theodore Roosevelt Louis Brandeis and Holmes As a Harvard law professor he earned fame as a civil libertarian Zionist and New Deal power broker As a justice he hired the first African American law clerk and helped the Court achieve unanimity in outlawing racially segregated schools in *Brown v Board of Education* In this sweeping narrative Brad Snyder offers a full and fascinating portrait of the remarkable life and legacy of a long misunderstood American figure This is the biography of an Austrian Jewish immigrant who arrived in the United States at age eleven speaking not a word of English who by age twenty six befriended former president Theodore Roosevelt and who by age fifty was one of Franklin Roosevelt's most trusted advisers It is the story of a man devoted to democratic ideals a natural orator and often overbearing justice whose passion allowed him to amass highly influential friends and helped create the liberal establishment *The Great Depression and the New*

*Deal* Daniel Leab, Kenneth J. Bindas, Alan Harris Stein, Justin Corfield, Steven L. Danver, 2009-12-18 A comprehensive encyclopedia of the 1930s in the United States showing how the Depression affected every aspect of American life In two volumes *The Great Depression and the New Deal A Thematic Encyclopedia* captures the full scope of a defining era of American history Like no other available reference it offers a comprehensive portrait of the nation from the Crash of 1929 to the onset of World War II exploring the impact of the Depression and the New Deal on all aspects of American life The book features hundreds of alphabetically organized entries in sections focusing on economics politics social ramifications the arts and ethnic issues With an extraordinary range of primary sources integrated throughout *The Great Depression and the New Deal* is the new cornerstone resource on a historic moment that is casting a shadow on our own unsettled times     **The Presidency of Calvin Coolidge** Robert H. Ferrell, 1998 The first book length assessment of Coolidge s presidency in thirty years draws on the recently opened papers of his White House physician for hitherto unknown personal information Ferrell history Indiana U exonerates Coolidge for the failures of his party s foreign policy but holds him accountable for having had insufficient economic savvy to warn Wall Street against the overspeculation that caused the Depression Annotation copyrighted by Book News Inc Portland OR     *American Reformers, 1870-1920* Steven L. Piott, 2006-03-07 In this new engaging work historian Steven L Piott explores the fascinating and provocative lives of twelve influential American reformers of the Gilded Age Populist and Progressive eras From Ida B Wells to Louis Brandeis Jane Addams to Charles Macune Piott examines the diversity of ideas and approaches that characterized this dynamic period He links these men and women together in the greater context of the reform era and explores the social ideologies that united the reform spirit in America following Reconstruction Designed with students in mind *American Reformers* provides a thought provoking introduction to some of the most influential and forward thinking minds of the reform era
