**Louis Felsenthal, Citizen-soldier of Territorial New Mexico** Jacqueline Meketa,1982 *New Mexico Territory During the Civil War* Henry Davies Wallen,Andrew Wallace Evans,2008-09 These inspection reports edited by award winning Civil War historian Thompson provide unique insight into the military cultural and social life of a territory struggling to maintain law and order during the early Civil War years **A Civil War History of the New Mexico Volunteers and Militia** Jerry D. Thompson,2015-09 Thompson draws on service records and numerous other archival sources that few earlier scholars have seen in this comprehensive work Germans in the Southwest, 1850-1920 Tomas Jaehn,2005 A history of the German presence in the American Southwest from the mid nineteenth century through the World War I era **A Bibliography of Jewish Education in the United States** Norman Drachler,2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education **From the Rio to the Sierra** Dan Scurlock,1998 **Buried Treasures** Richard Melzer,2007 Melzer offers an impressive new book about famous New Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history **Bloody Valverde** John Taylor,1999-03 The first complete account of the largest battle in New Mexico and a turning point in the Civil War in the West *James Silas Calhoun* Sherry Robinson,2021-10-15 Veteran journalist and author Sherry Robinson presents readers with the first full biography of New Mexico s first territorial governor James Silas Calhoun Robinson explores Calhoun s early life in Georgia and his military service in the Mexican War and how they led him west Through exhaustive research Robinson shares Calhoun s story of arriving in New Mexico in 1849 a turbulent time in the region to serve as its first Indian agent Inhabitants were struggling to determine where their allegiances lay they had historic and cultural ties with Mexico but the United States offered an abundance of possibilities An accomplished attorney judge legislator and businessman and an experienced speaker and negotiator who spoke Spanish Calhoun was uniquely qualified to serve as the first territorial governor only eighteen months into his service While his time on the New Mexico political scene was brief he served with passion intelligence and goodwill making him one of the most intriguing political figures in the history of New Mexico Journal of the Museum of New Mexico, the Archaeological Society of New Mexico, the Santa Fe Society of the Archaeological Institute of America ,1982 **Política** Phillip B. Mexico Historical Review Lansing Bartlett Bloom, Paul A. F. Walter, 1996      **The Civil War and the West** Carol L. Higham, 2013-10-01 Between 1800 and the Civil War the American West evolved from a region to territories to states This book depicts the development of the antebellum West from the perspective of a resident of the Western frontier What happened in the West in the lead up to and during the American Civil War The Civil War and the West The Frontier Transformed provides a clear and complete answer to this question The work succinctly overviews the West during the antebellum period from 1800 to 1862 supplying thematic chapters that explain how key elements and characteristics of the West created conflict and division that differed from those in the East during the Civil War It looks at how these issues influenced the military settlement and internal territorial conflicts about statehood in each region and treats the Cherokee and other Indian nations as important actors in the development of a national narrative      **Southwestern Studies**, 1990

From Martyrs to Murderers Jacqueline Meketa, 1993 The virtues and foibles of the human race are fascinating fodder for any writer The austere and primitive conditions of life in the Southwest in the last century add extra color to the tales of the saints sinners and scalawags of those days These were God's unpampered people living in a harsher time and place Although these severe conditions were sometimes instrumental in determining specific circumstances it is only necessary to look beyond the trappings of the story to find the eternal human emotions heroism greed determination fear anger patriotism revenge self indulgence madness and all the rest In this collection you will find no Billy the Kid no Sheriff Elfego Baca no tunstalls or their Lincoln County War no Geronimo and no Pat Garrett Instead you will find a fascinating group of lesser known people who were all caught up in exciting or unusual events Each tale has some connection to the New Mexico Territory although in some cases most of the action took place outside its borders in other Southwestern states The protagonists are as varied as the narratives and their deeds range from the foulest to the finest      **BorderLine** Barbara G. Valk, 1988      **A History of the Jews in New Mexico** Henry Jack Tobias, 1990 Ch I pp 7 21 traces the Jewish presence in the state of New Mexico to the Spanish period when the region was colonized between 1598 1680 Persecuted by the Inquisition in colonial Mexico in the 1590s and 1640s many Portuguese Conversos fled north to New Leon and New Mexico to seek refuge States that until recently many New Mexican Hispanics have been unaware that they observe Jewish traditions Some have complained of being called killers of Christ The present Jewish population is composed mainly of descendants of German Jews who emigrated after 1846 48 In New Mexico there were almost no manifestations of antisemitism apart from sporadic attacks against Jews e g in 1867 in the press which showed that personal politics or Jewish economic prominence could elicit latent antisemitism In 1982 a controversy broke out about the use of the swastika and Nazi like uniforms in the State University's yearbook and in 1967 Reies Tijerina a Christian fundamentalist accused Jews of having stripped the Hispanics of their ancestral lands      *National Union Catalog*, 1982 ,1983
