### **The Collected Short Stories of Louis L'Amour, Volume 5**

L'Amour, 2015-12-29 The stories of Louis L'Amour are built around the dramatic moments when men and women cast their fears, doubts, and pasts behind them and plunge into the unknown into split second decisions with life and death consequences. Nowhere is that more evident than in this quintessential collection of stories set on the American frontier. Here L'Amour takes us across a bold beautifully rendered landscape where old scores haunt new lives, the wrong choice leaves unwitting victims, and strangers may come to trust or kill one another. Fugitives, visionaries, fortune seekers, drifters, and young women trying to build homes on a lawless frontier: the characters in these pulse-pounding stories are vintage L'Amour. Together in this vivid rollicking collection they bring to life the spirit of adventure and confirm Louis L'Amour's place in the pantheon of American writers.

*A Trail of Memories* Angelique L'Amour, 2010-12-01 For decades generations of readers have shared their favorite passages of favorite Louis L'Amour novels and short stories: parents with their children, neighbors with their friends, executives with their staff and clergy with their congregations. They pass around dog-eared copies of the books, underlined and yellowing, recalling words that echo in their readers' hearts and minds long after the last page was turned. Now many of these selections have been collected in a remarkable volume representing some of the richest ore of the L'Amour lode: voices that heralded the settling of the frontier of the man and woman whose spirit and soul shaped our nation. In these words Louis L'Amour describes the American experience, bringing our heritage to life in ways no other author has. No L'Amour reader has a more unique perspective on his work than Angelique, his only daughter. In an extraordinary feat for every Louis L'Amour fan and in loving appreciation of her father, she has compiled *A Trail of Memories: The Quotations of Louis L'Amour*, drawn from her father's best-loved works of fiction, including the Sackett novels *Last of the Breed*, *The Walking Drum*, and nearly two dozen others. By reading his words, each reader has met a part of my father, she writes in her introduction. Each hero has a bit of Dad's experience that makes him who he is. With *Lanso* it is all those boxing matches as Dad grew up. With *Barnabas Sackett* it is the sailor and explorer in my father. I think that this collection of quotations from my father's books reveals much of what makes Dad who he is, for these words are the heart and soul of what he believes and what he wants to leave behind. Angelique has selected nearly a thousand of her favorite, most powerful and poignant L'Amour quotations, arranged by category and annotated with the book in which it appears, on more than a score of universal subjects such as Love, Friendship, and Loyalty, Family and Home, Honor, the Law, and Justice, the Frontier, Women and Men, and Bravery. One such example from Sackett's *Land*: He never knew when he was whipped, so he never was. A wonderful gift from a daughter to her father and from Angelique L'Amour to her father's readers, *A Trail of Memories: The Quotations of Louis L'Amour* will be a cherished keepsake of words to enjoy and words to live by.
