Louis XVI Or The End Of A World:

Louis XVI Bernard Faÿ,1966 *Louis XVI* Bernard Faÿ,1968 **Louis XVI and the French Revolution** Alison Johnson,2013-05-21 Louis XVI was a gentle and unassuming man who did not want to be king but attempted to work for the welfare of his people until his government was engulfed by the violent upheavals of the French Revolution Facing the rapidly changing desires of his subjects he gave way to the policies they demanded Few rulers have acquiesced to such startling changes of government within such a brief span of time Louis XVI lacked the charisma of Marie Antoinette but he is remarkable for the courage he exhibited when facing violent armed men only a few feet away The quiet dignity with which he approached his execution has been praised by countless people including Albert Camus and Victor Hugo This biography traces the painfully exciting events involving Louis XVI Marie Antoinette and their two children The royal family was first taken by a violent mob from Versailles to Paris They attempted an escape but it failed when they had almost reached safety A year later the king and queen were guillotined *Louis XVI; Or, The End of a World. the possibility of moving beyond eternally recurring insolvable and increasingly irrelevant questions Instead of asking Who is the people What is the function of constituent power Where may the people exercise its right to self determination Beyond the People asks the reader to consider the prospect of a riskier and more adventurous theoretical road that opens with the question What do I as a theorist imaginer or conjuror of peoplehood assume anticipate and aspire to as I theorize the vehicles that mediate the assumptions anticipations and aspirations of others This question is examined throughout the book as it interrogates the idea of peoplehood beyond disciplinary boundaries showing how polemical visual affective conceptual and allegorical language critically shapes our idea of peoplehood It offers a nuanced account of the contested relationship between the social imaginary of peoplehood on the ground and the imaginative practices of the professional conjurors of peoplehood in the academy Library of the World's Best Literature: A-Z Charles Dudley Warner,1902 **The Warner**
