Louise Goes Wild:

Louise Goes Wild Stephen Krensky, 1999 **Louise Goes Wild** Stephen Krensky, 2001-01-01 Tired of being considered predictable Louise decides to make some changes in her life but she finds out that her family and friends miss the old Louise and so does she **Madcaps, Screwballs, and Con Women** Lori Landay, 1998-02 Lori Landay tells a powerful story about woman s place and women s power during the sexual desegregation of American society ScreenSite *Let It Burn* Satellite Stevens, 2013-05-28 I remember being three years old standing inside my doorway in a checkered red dress My older brothers and sisters were on the porch I heard a shot and a scream Everybody yelled for me to get back in the house My sisters flew inside at the insistence of my mother We watched from the window as police cars came streaming down the road with their lights flashing There were loud sirens Then an ambulance followed I was fighting to get my face to the window so I could see but I wasn't big enough I became frustrated and cried wet tears filling my face so my oldest sister lifted me up Then word got around that the man who was killed was the boy Jason's father who lived up the street I knew Jason and liked him He had a pretty face and a big smile Every time he came by the house and I was standing on the porch he would say hi and call me by my name Sometimes he would say Are you being a good little girl Other times he would say You look very pretty I thought about Jason and how he felt He stood tall and proud and seemed like an old little kid much older than me He seemed caring inside and always dressed nice I never knew my father so I often wondered what it was like to have a father I wondered what a man did in the house Now I wondered about Jason I wondered if he was going to cry I wasn't allowed to go to the funeral but I really wanted to I wanted to see him and make sure he was okay I wanted to tell him I wished those men didn't shoot his father Nativities Zoe Cooper, 2012-02-01 *Nativities* is a darkly comic new play set in the wasteland of petty office politics designated smoking areas and personal alienation Excited about her new job as administrative assistant at a call centre Stella is eager to fit in with her workmates and they seem to like her too especially when they find out how much they all have in common It s really like a family at Scion Communications so when they discover that Stella is pregnant they re all delighted for her However as her pregnancy progresses their certainties about love relationships and parenthood are questioned and their lives both at work and at home begin to unravel Set somewhere between an Orwellian dystopian vision and an all too familiar contemporary reality Cooper s writing turns a lens on everyday office life and how personalities are warped in its liminal space Within the repeating motifs of the anonymity of the corporate existence recurrent unvaried routines and ominously authoritative performance targets the core of the play focuses on the sheer isolation and loneliness of the characters The dialogue is overlapping misunderstood and disconnected and the characters are unable to communicate in spite of spending the majority of their waking lives together This kaleidoscopic dialogue and the slippery shifting ground between the characters effectively creates a new language for the stage which is startlingly original This is writing which is innovative relevant chilling and blackly funny **The Complete Idiot's Guide to the Perfect Cover Letter** Susan

Ireland,1997 Provides advice on creating effective cover letters and includes sample cover letters for such situations as following up a job interview thanking someone for a job offer and requesting information **Paper Secrets** Mary Jo Stanley,2010-12-02 Paper Secrets is the first book of a family saga involving the Black and Coleman families having mixed feeling for each other Vivian Black and Louise Coleman were best friends during their childhood years in the 1930 s until circumstances led to a ten year separation When they meet again in college Louise is extremely rich and Vivian is attending college on an academic scholarship They both fall in love with the same handsome wealthy upperclassmen John Williams from Richmond VA and the former friends find themselves at odds over for his affection Louise is used to having her way and doesn t take no for an answer She is determined to have him and will not let a little thing like his love for Vivian get in the way Paper Secrets a story with many misunderstandings trials and even lost loved ones for both families caused by the discovery of various pieces of paper While some family members are anxious to have the secrets revealed others want them hidden or forgotten forever Lawsuits and threats of public humiliation are the least of their worries with the secrets looming over their heads Personal Feelings after Rejection Susan Harvey,2012-12-17 On a June morning in 1918 Ginny s mother age 13 gave birth to twin girls Just after Ginny s birth her twin sister was stillborn Ginny s undeserved future began that day because she was rejected by her mother Ginny s determination and will to live helped her to overcome the 18 years of torture she endured After Ginny s marriage to Geoff Bryan she hoped she would have the perfect life she had always dreamed Behind Ginny s smiles were constant thoughts of her rejection throughout her life Parents can make unreasonable choices for their children that will alter their life s destiny *Blood in Water 8 Short Stories* Madeleine Watson,2020-06-20 Between 2011 and 2014 I wrote eight short stories I had been writing stories since I was about six Weird scenarios would enter my head and I would feel compelled to write about them Blood in Water relates on Abby who makes an awful discovery about her family Dead Letter Room samples the life of lonely Finch at his workplace Outside enters the disturbed mind of an ex convict and What Goes Around considers the makings of a bully On the surface all appear to delve into diverse worlds and minds But this isn t quite so They are all about alienation My other stories are the same alienation It goes right back to my early children s mysteries of the Seventies How strange I hadn t noticed The reason is that I would make my own personal discovery in 2016 I was fifty one years old and living with my partner and two children Until then I was completely unaware of a vital truth about myself This truth has leaked into my stories and creations without my realisation This account is true Relevant diary entries have been included as well as illustrations Analyses and further dissections provides an insight into the force behind these stories and ventures into the strange phenomena I have discovered It s like a ghost language

Walking on Air Janann Sherman,2011-08-01 Aviation pioneer Phoebe Fairgrave Omlie 1902 1975 was once one of the most famous women in America In the 1930s her words and photographs were splashed across the front pages of newspapers across the nation The press labeled her second only to Amelia Earhart among America s women pilots and First

Lady Eleanor Roosevelt named her among the eleven women whose achievements make it safe to say that the world is progressing. Omlie began her career in the early 1920s when aviation was unregulated and open to those daring enough to take it on male or female. She earned the first commercial pilot's license issued to a woman and became a successful air racer. During the New Deal she became the first woman to hold an executive position in federal aeronautics. In *Walking on Air*, author Janann Sherman presents a thorough and entertaining biography of Omlie. In 1920 the Des Moines Iowa native bought herself a Curtiss JN 4D airplane and began learning how to fly and perform stunts with her future husband pilot Vernon Omlie. She danced the Charleston on the top wing hung by her teeth below the plane and performed parachute jumps in the Phoebe Fairgrave Flying Circus. Using interviews, contemporary newspaper articles, archived radio transcripts and other archival materials, Sherman creates a complex portrait of a daring aviator struggling for recognition in the early days of flight and a detailed examination of how American flying changed over the twentieth century. [Joeball](#) by Ray Akin *Bookalam Park* Andre Giordano, 2012-05-29 In this book I'm talking about the door of heaven above a footbridge in the center part of the park far from the entrance not easily accessible or visible it opens only when visitors from heaven want to come to earth for a time value hosted by fairies or vice versa when they have business with their representatives of God in heaven. The door is supposed to open permanently to create a new age for men to enjoy in the near future. The role of men is simple it is to walk holding in his mind the equilibrium of all the tendencies of the collective karma through out the planet for that in my story they are helped by Lord Vishnu the maintainer of the world but first and foremost this is also a love story. Love heals it maintains harmony it is cosmic and reaches all parts of the universe when strong it erases differences. **Inside Moves** Todd Walton, 2013-06-05 Jerry Maxwell and his good friend Roary are both handicapped. They divide their time between Max's bar in San Francisco and the bleachers of the Oakland Sports Complex to cheer on the Golden State Warriors. Together the two set out to make Jerry's dream of playing professional basketball a reality. *Inside Moves* is an off beat exuberant and extremely emotional novel focusing on the bonds of friendship between two men brought together by physical and psychological challenges and their dreams of creating more meaningful lives for themselves and their friends. Often classified as a sports novel, basketball is merely the backdrop to this human comedy of love and sorrow and the healing powers of friendship and community. Released to wide critical acclaim by Doubleday in 1978, *Inside Moves* went on to sell over 160,000 copies through numerous printings. A motion picture of *Inside Moves* was released in 1980 directed by Richard Donner with a screenplay by Barry Levinson and Valerie Curtin. [The Ladies' Companion](#), 1863

Six of One Rita Mae Brown, 2017-01-31 Perched right on the Mason Dixon line, tiny Runnymede, Maryland is ripe with a history almost as colorful as the women who live there from Celeste Chalfonte, headstrong and aristocratic who murders for principle and steals her brother's wife to Fannie Jump Creighton who runs a speakeasy right in her own home when hard times come knocking. Then of course there're Louise and Julia the boldly eccentric Hunsenmeier sisters, Wheezie

and Juts spend their whole lives in Runnymede cheerfully quibbling about everything from men to child rearing to how to drive a car But they never let small town life keep them from chasing their biggest dreams or from being true to who they really are Sparkling with a perfect combination of sisterhood and sass Six of One is a richly textured Southern canvas Rita Mae Brown at her winning fondest best Kirkus Reviews The Golden Dog (Le Chien D'or) William Kirby,1897 *The Golden Dog* William Kirby,1903 **The Flaming Sword** ,1898 The Mysteries of Paris Eugène Sue,1847 **The mysteries of Paris, tr. without abridgement.
