

The background of the book cover is a detailed painting of a Louisiana bayou. In the foreground, a large, weathered tree stump stands on the left. The water is calm, reflecting the tall, slender trees that line the banks. A blue bird is perched on a log in the middle ground. The overall atmosphere is serene and naturalistic.

**Designing the Bayous** Martin Reuss, 2004 This history of the Atchafalaya Basin is an account of the transformation of an area that has endured perhaps more human manipulation than any other natural environment in the nation      **The Road to Bayou Bridge** Liz Talley, 2012-09-01 As a wild teenager Darby Dufrene tore up the roads around Bayou Bridge However years of serving in the navy have reformed him Now that he s discharged he s ready to settle down just not here in Louisiana But his quick visit becomes the opposite when he discovers that a long ago impulsive wedding he had with Renny Latioles was not annulled Fine He and Renny are in perfect agreement an uncontested divorce and he ll be on his way Too bad the crazy attraction that pulled them together before is just as strong and it isn t listening to logic Spending time with her makes him crave more It could be they re still married for a reason      **Wingless Chickens, Bayou Catholics, and Pilgrim Wayfarers** L. Lamar Nisly, 2011 Flannery O Connor Tim Gautreaux and Walker Percy are all Catholic writers from the South and seem to embody very fully both parts of that label Yet as quickly becomes clear in their writing their fiction employs markedly different tones and modes of addressing their audience O Connor seems intent on shocking her reader whom she anticipates will be hostile to her deepest beliefs Gautreaux gently and humorously engages his reader inviting his expected sympathetic audience to embrace the characters needed moral growth Percy satirically lampoons an array of social ills and failings in the Church as he tries to get his audience laughing with him while he makes his deadly serious point about the flaws he finds in the church and larger culture Why do these three writers assume such divergent images of their audience Why do texts by three writers who each embrace their Southern locale and their Catholic beliefs seem to have so little in common To answer these questions Nisly helps readers understand these authors fiction by examining the role that place and time had in shaping each author s idea of an audience and by extension his or her manner of addressing that audience More

specifically Nisly focuses on each author's experience of Catholic community and each author's placement in relation to the Second Vatican Council Linking together biographical information and a reading of their fiction Nisly argues that O'Connor's Gautreaux's and Percy's sense of audience has been shaped in significant ways by each author's own local experience of Catholicism in his or her home region as well as the larger global changes of Vatican II that transformed Roman Catholicism
