*Rogue Flows* Koichi Iwabuchi, Stephen Muecke, Nabdt Thomas, 2004-11-01 *Rogue Flows* brings together some of the best and most knowledgeable writers on consumption and cultural theory to chart the under explored field of cultural flows and consumption across different regions in Asia and the importance of these flows in constituting contemporary Asian national identities It offers innovative possibilities for envisioning how the transfer of popular and consumer culture such as TV music film advertising and commodities across Asian countries has produced a new form of cross cultural fertilisation within Asian societies which does not merely copy Western counterparts *Rogue Flows* is unique in its investigation of how Asianness is being exploited by Asian transnational cultural industries and how it is involved in the new power relations of the region It is an important contribution to the literature of Asian cultural studies     Musical Performance Stan Godlovitch, 2002-01-31

Most music we hear comes to us via a recording medium on which sound has been stored Such remoteness of music heard from music made has become so commonplace it is rarely considered *Musical Performance* A Philosophical Study considers the implications of this separation for live musical performance and music making Rather than examining the composition or perception of music as most philosophical accounts of music do Stan Godlovitch takes up the problem of how the tradition of active music playing and performing has been challenged by technology and what problems this poses for philosophical aesthetics Where does the value of musical performance lie Is human performance of music a mere transfer medium Is the performance of music more expressive than recorded music *Musical Performance* poses questions such as these to develop a fascinating account of music today musicians but via some recording medium on which sound has been stored

Fado and the Place of Longing Richard Elliott, 2017-07-05 Fado often described as urban folk music emerged from the streets of Lisbon in the mid nineteenth century and went on to become Portugal s national music during the twentieth It is known for its strong emphasis on loss memory and nostalgia within its song texts which often refer to absent people and places One of the main lyrical themes of fado is the city itself Fado music has played a significant role in the interlacing of mythology history memory and regionalism in Portugal in the second half of the twentieth century Richard Elliott considers the ways in which fado songs bear witness to the city of Lisbon in relation to the construction and maintenance of the local Elliott explores the ways in which fado acts as a cultural product reaffirming local identity via recourse to social memory and an imagined community while also providing a distinctive cultural export for the dissemination of a remembered Portugal on the global stage     **Hideaway** Dean Koontz, 2005-07-05 Strange visions plague a man after he survives a near death

experience in this chilling thriller from 1 New York Times bestselling author Dean Koontz Surviving a car accident on a snowy mountain road is miraculous for Lindsey Harrison but even more so for her husband Hatch who was clinically dead for eighty minutes After experimental procedures bring Hatch back to life he awakens with the terrifying feeling that something is out there But it soon becomes apparent that the evil stalking Hatch is within him a dark force of murderous rage that
