## Love Affair As A Work Of Art:

*The Love Affair as a Work of Art* Dan Hofstadter, 1997-06-26 In this marvelously original book Dan Hofstadter shows how a great treasure of forgotten personal writing diaries memoirs and letters written by George Sand Anatole France and Marcel Proust among others bears on the erotic lives of the writers and how the fine French tradition of conducting love affairs developed as an art form As his subtle analysis makes clear the love letters exchanged in a series of highly charged liaisons also suggested the themes of celebrated future novels

*Goethe: Life as a Work of Art* Rüdiger Safranski, 2017-05-16 A New York Times Book Review Editors Choice Selection Named one of the Best Books of the Year by the Economist and Kirkus Reviews This splendid biography Wall Street Journal of Goethe presents his life and work as an essential touchstone for the modern age A masterful intellectual portrait Goethe Life as a Work of Art is celebrated as the seminal twenty first century biography of the writer considered to be the Shakespeare of German literature Johann Wolfgang von Goethe 1749 1832 a remarkably prolific poet playwright novelist and as Rüdiger Safranski emphasizes a statesman and naturalist first awakened not only a burgeoning German nation but the European continent with his electrifying novel The Sorrows of Young Werther Safranski has scoured Goethe's entire oeuvre relying exclusively on primary sources including his correspondence with contemporaries to produce a fresh and authentic Economist portrait of the avatar of the Romantic era Skillfully blending artistic analysis with swift sharp renderings of the great political and intellectual figures Goethe encountered Safranski's portrait of the prolific genius leaves the reader with lasting awe even envy of a monumental legacy The New Yorker As Safranski ultimately shows Goethe's greatest creation even in comparison to his masterpiece Faust was his own life

*The Rebellious Sculptor: A Tale of Art, Passion, and Social Injustice* Pasquale De Marco, 2025-08-09 Discover the Extraordinary Life and Art of Artemisia Gentileschi a Trailblazing Woman in the Male Dominated World of 17th Century Painting Artemisia Gentileschi was a groundbreaking artist who defied societal norms and artistic conventions to become one of the most celebrated painters of the Baroque period Born in Rome in 1593 Artemisia displayed a remarkable talent for art from a young age Despite the obstacles she faced as a woman in a patriarchal society she persevered honing her skills and developing her own unique style Artemisia's paintings are characterized by their emotional intensity dramatic lighting and strong female subjects Her work challenged traditional depictions of women in art portraying them as powerful independent and often triumphant Artemisia's art quickly gained recognition and she received commissions from patrons across Italy and beyond However Artemisia's life was not without its share of tragedy In 1611 she was raped by Agostino Tassi a fellow painter The subsequent trial during which Artemisia was subjected to intense scrutiny and humiliation was a traumatic experience Despite the adversity Artemisia found the strength to continue her artistic career In the years that followed Artemisia traveled extensively working in Florence Rome and Naples She became a respected and successful artist earning the admiration of her peers and patrons alike Artemisia's paintings continue to captivate audiences with their power beauty and

emotional depth Today Artemisia Gentileschi is recognized as one of the most important and influential artists of the Baroque period Her life and work have inspired generations of artists and continue to resonate with people around the world The *Rebellious Sculptor A Tale of Art Passion and Social Injustice* offers a comprehensive exploration of Artemisia s life art and legacy providing a deeper understanding of this extraordinary woman and her enduring impact on the art world If you like this book write a review

Love and Other Emotions Jason W. Brown,2018-03-08 This book is an account of the psychology of romantic love in the context of a theory of emotions The account develops out of studies in brain psychology and the extension to topics in process philosophy such as the nature of value and belief and the central role of feeling in mental process The approach is subjectivist that is from the internal standpoint and in this respect it differs greatly from the externalist and objectivist trends in modern cognitive science and empiricist philosophy Love is the ultimate in value so that a theory of love is also a theory of the nature of value and its relation to feeling belief and to drive and desire The role of intention reason and appraisal is critiqued The relation to other feelings such as jealousy envy anger loss and grief is discussed in terms of a general theory of emotion and the basis in a process account of the mind brain state

*Process and the Authentic Life* Jason W. Brown,2013-05-02 The thesis advanced in this book is that feeling and cognition actualize through a process that originates in older brain formations and develops outward through limbic and cortical fields through the self concept and private space into as the world An iteration of this transition deposits acts objects feelings and utterances Value is a mode of conceptual feeling that depends on the dominant phase in this transition from desire through interest to object worth Among the topics covered are subjective time and change the epochal nature of objects and their temporal extensibility and the evolution of value from inorganic matter into organic form The theory of microgenesis informs this work According to this theory acts and objects evolve in milliseconds through phases that replicate patterns in forebrain evolution The progression in the actualization of the mind brain state is from archaic to recent in brain formation from unity to diversity from past to present and from mind to world An account is given of the diversity of felt experience avoiding the reductionist moves characteristic of biological materialism and the inherent dualism of psychoanalytic and related theories This book is intended for any reader interested in the psychology of the inner life and philosophy of mind including philosophers psychologists psychiatrists and others with an interest in problems of value and moral feeling
