Between the Lines Bobbi Marolt,2009-05-01 When romance writer Gail Prescott meets British actor Tannen Albright she develops feelings that she usually only experiences through her characters Despite Gail s prickly demeanor Tannen won t be deterred from striking up a friendship Gail s emotional walls begin to crumble before Tannen s irresistible charms and she cautiously allows Tannen and the possibility of love into her life Then Gail s tragic history collides with Tannen s equally heartbreaking past and Gail s life turns into a hurricane of destruction Hoping to save their love Tannen asks for the one thing Gail may not be able to give all of herself Can their love prevail or will history destroy all hope for the future The answer lies between the lines of what has been written and what might be in this sensual touching romance *The Lines Between the Lines* Bess Rowen,2021-10-18 What is the purpose of a stage direction These italicized lines written in between the lines of spoken dialogue tell us a great deal of information about a play s genre mood tone visual setting cast of characters and more Yet generations of actors have been taught to cross these words out as records of previous performances or signs of overly controlling playwrights while scholars have either treated them as problems to be solved or as silent lines of dialogue Stage directions can be all of these things and yet there are examples from over one hundred years of American playwriting that show that stage directions can also be so much more The Lines Between the Lines focuses on how playwrights have written stage directions that engage readers production team members and scholars in a process of embodied creation in order to determine meaning Author Bess Rowen calls the products of this method affective stage directions because they reach out from the page and affect the bodies of those who encounter them Affective stage directions do not tell a reader or production team what a given moment looks like but rather how a moment feels In this way these stage directions provide playgrounds for individual readers or production teams to make sense of a given moment in a play based on their own individual cultural experience geographic location and identity markers Affective stage directions enable us to check our assumptions about what kinds of bodies are represented on stage allowing for a greater multitude of voices and kinds of embodied identity to make their own interpretations of a play while still following the text exactly The tools provided in this book are as useful for the theater scholar as they are for the theater audience member casting director and actor Each chapter covers a different function of stage directions spoken affective choreographic multivalent impossible and looks at it through a different practical lens focusing on actors directors designers dramaturgs and readers Every embodied person will have a slightly different understanding of affective stage directions and it is precisely this diversity that makes these stage directions crucial to understanding theater in our time **Between the Lines** Dave Cenker,2019-02-11 Is

Between the lines* Dario Lisiero, 2012-04-01

The tormenting love story of Abelard and Heloise that took place in France during the High Middle Ages still arouses and provokes strong feelings and contrasting reactions causing an array of emotions from deep compassion to manifest outrage and from human understanding to outright condemnation Nobody will ever remain indifferent and untouched by reading those poignant letters full of vibrant humanity crisscrossed with indomitable and ever reemerging passion The strong spirits of Abelard and Heloise proclaim loud and clear to the four corners of the earth an imperishable love that does not accept human constraints and can barely tolerate Divine dictates It is a strange love that in order to survive takes up religious vows and hides beneath the habits of a monk and of a nun and behind the walls of a monastery and a convent *Life Between the Lines* John Izbicki, 2012-07-01
