Love Death A Study In Censorship:

Love and Death Gershon Legman, 1949 **Love & Death** Gershon Legman, 1949 **Obsession and Culture** Andrew Brink, 1996 Many twentieth century novelists speak for a male psycho class needing imaginative externalization of obsessive sexual fantasies of control of women Attraction avoidance and guilt are powerful motivators for writers and readers alike and the moral ambiguity of serial monogamy as well as other forms of exploitative sexuality prompt certain writers to construct symbolic expiation and repair in fiction **Dirty Jokes and Bawdy Songs** Susan Davis, 2019-10-15 Collector of sexual folklore Cataloger of erotica Tireless social critic Gershon Legman's singular disreputable resume made him a counter cultural touchstone during his forty year exile in France Despite his obscurity today Legman's prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden Susan G Davis follows the life and times of the figure driven to share what he found in civilization's secret libraries Self taught and fiercely unaffiliated Legman collected the risqu on street corners and in theaters and dug it out of little known archives If the sexual humor he uncovered often used laughter to disguise hostility and fear he still believed it indispensable to the human experience Davis reveals Legman in all his prickly provocative complexity as an outrageous nonconformist thundering at a wrong headed world while reveling in conflict violating laws and boundaries with equal abandon and pursuing love and improbable adventures Through it all he maintained a kaleidoscopic network of friends fellow intellectuals celebrity admirers and like minded obsessives

Bookleggers and Smuthounds Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics Bookleggers and Smuthounds vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America **The Mind of the Censor and the Eye of the Beholder** Robert Corn-Revere, 2021-10-20 Beginning in the nineteenth century with Anthony Comstock America's censor in chief The Mind of the Censor and the Eye of the Beholder explores how censors operate and why they wore out their welcome in society at

large This book explains how the same tactics were tried and eventually failed in the twentieth century with efforts to censor music comic books television and other forms of popular entertainment The historic examples illustrate not just the mindset and tactics of censors but why they are the ultimate counterculture warriors and why in free societies censors never occupy the moral high ground This book is for anyone who wants to know more about why freedom of speech is important and how protections for free expression became part of the American identity *Brother-Souls* Ann Charters, Samuel Charters, 2010-09-27 John Clellon Holmes met Jack Kerouac on a hot New York City weekend in 1948 and until the end of Kerouac's life they were in Holmes's words *Brother Souls* Both were neophyte novelists hungry for literary fame but just as hungry to find a new way of responding to their experiences in a postwar American society that for them had lost its direction Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them *Brother Souls* John Clellon Holmes Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes From 1948 to 1951 when Kerouac's wanderings took him back to New York he and Holmes met almost daily Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes's manuscript for the novel *Go* as they left the typewriter With the pages of Holmes's final chapter still in his mind he was at last able to crack his own writing dilemma In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of *On the Road* Biographer Ann Charters was close to John Clellon Holmes for more than a decade At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters journals and manuscripts Holmes had been keeping for twenty five years In that mass of material waited an untold story These two ambitious writers Holmes and Kerouac shared days and nights arguing over what writing should be wandering from one explosive party to the next and hanging on the new sounds of bebop Through the pages of Holmes's journals often written the morning after the events they recount Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation Holmes Kerouac Neal Cassady Allen Ginsberg William Burroughs Gregory Corso and their friends and lovers *Wordsworth's Slumber and the Problematics of Reading* Brian G. Caraher, 2010-11-01 *The Drama of Love and Death: A Study of Human Evolution and Transfiguration* Edward Carpenter, Love and Death move through this world of ours like things apart underrunning it truly and everywhere present yet seeming to belong to some other mode of existence When Death comes breaking into the circle of our friends words fail us our mental machinery ceases to operate all our little stores of wit and wisdom our maxims our mottoes accumulated from daily experience evaporate and are of no avail These things do not seem to touch or illuminate in any effective way the strange vast Presence whose wings darken the world for us And with Love though in an opposite sense it is the same Words are of no use all our philosophy fails whether to account for the pain or to fortify against the glamour or to describe the glory of the experience These figures Love

and Death move through the world like closest friends indeed never far separate and together dominating it in a kind of triumphant superiority and yet like bitterest enemies dogging each other's footsteps undoing each other's work fighting for the bodies and souls of mankind Is it possible that at length and after ages we may attain to liberate ourselves from their overlordship to dominate them and make them our ministers and attendants Can we wrest them from their seeming tyranny over the human race and from their hostility to each other Can we persuade them to lay aside their disguise and appear to us for what they no doubt are even the angels and messengers of a new order of existence It is a great and difficult enterprise Yet it is one I think which we of this generation cannot avoid We can no longer turn our faces away from Death and make as if we did not perceive his presence or hear his challenge This age which is learning to look the facts of Nature steadily in the face and see through them must also learn to face this ultimate fact and look through it And it will surely and perhaps only be by allying ourselves to Love that we shall be able to do so that we shall succeed in our endeavor For after all it is not in the main on account of ourselves that we cherish a grudge against the common enemy and dispute his authority but for the sake of those we love For ourselves we may be indifferent or acquiescent but somehow for those others for those divine ones who have taken our hearts into their keeping we resent the idea that they can perish We refuse to entertain the thought Love in some mysterious way forbids the fear of death Whether it be Siegfried who tramples the flaming circle underfoot or the Prince of Heaven who breaks his way through the enchanted thicket or Orpheus who reaches his Eurydice even in the jaws of hell or Hercules who wrestles with the lord of the underworld for Alcestis the ancient instinct of mankind has declared in no uncertain tone that in this last encounter Love must vanquish *International Bibliography on Crime and Delinquency*, 1963

Encyclopedia of Censorship Jonathon Green,Nicholas J. Karolides,2014-05-14 Articles examine the history and evolution of censorship presented in A to Z format **War Noir** Sarah Trott,2016-11-03 The conflation of the hard boiled style and war experience has influenced many contemporary crime writers particularly in the traumatic aftermath of the Vietnam War Yet earlier writers in the genre such as Raymond Chandler remain overlooked when it comes to examining how their war experience affected their writing Sarah Trott corrects this oversight by examining Chandler alongside the World War I writers of the Lost Generation as well as highlighting a melding of very different styles in Chandler s work Based on Chandler s experience in combat Trott explains that the writer created detective Philip Marlowe not as the idealization of heroic individualism as is commonly perceived but instead as an authentic individual subjected to very real psychological frailties from trauma during the First World War Inspecting Chandler s work and correspondence indicates that the characterization of the fictional Marlowe goes beyond the traditional chivalric readings and can instead be interpreted as a genuine representation of a traumatized veteran in American society Substituting the horror of the trenches for the corruption of the city Chandler formed a disillusioned protagonist in an uncaring America Chandler did so with the sophistication necessary to straddle genre fiction and canonical literature The sum of this work offers a new understanding of how Chandler uses his war trauma how that experience established the traditional archetype of detective fiction and how this reading of his fiction enables Chandler to transcend generic limitations and be recognized as a key twentieth century literary figure *Law and Contemporary Problems* ,1955 **Record of a Friendship** Wilhelm Reich,Alexander Sutherland Neill,1982 Giuseppe Verdi Gregory Harwood,2012-05-04 This comprehensive research guide surveys the most significant published materials relating to Giuseppe Verdi This new edition includes research since the publication of the first edition in 1998 **Giuseppe Verdi** Gregory W. Harwood,2021-12-12 First Published in 1998 Giuseppe Verdi already stood out as a distinctive and unusually significant composer by the time his career was barely underway Today Verdi scholars build their work on a vast foundation of earlier research For researchers who have not spent years with the Verdi literature or who may just be starting to explore some aspect of this giant s life and works this foundation may seem daunting indeed It is primarily for these researchers that this guide is intended Its purpose is to index and describe some of the most significant studies about the composer presenting enough material in annotations that researchers may survey the many myriad directions Verdi research has gone ascertain the relevance of individual items to their individual interests and pursue significant patterns and threads in which they are interested
