**The Love Book for Couples** E. Michael Lillibridge, 1984-11 [Navigating Love](#) Malik Spencer, Leah Silverman Gales, Steve Meek, Angela Bronzie, 2013-11-14 Navigating Love is about healthy relationship choices and the barriers that prevent us from making them It is about the thin line between desire and dysfunction This book offers a detailed map for transitioning from relationships based on Infatuation selfish attraction to relationships based on Connection sustainable attraction and is an in depth exploration of where resentment comes from how it destroys relationships and practical ways to prevent it The goal of this book is to help you improve your relationships by offering healthy alternatives to the behaviors that destroy them What is unique is that I ve actively designed and tested these alternatives personally over four years of my own relationships

[The Four Cs for Building Healthy Relationships](#) J. A. McGruder, PhD, 2014-03 Every relationship romantic or platonic direly needs critical keys for its success Whether the relationship is between friends spouses parents and children this author has identified four critical elements based upon a Christian perspective needed for a relationship to thrive and positively flourish All connections and associations must be rooted in strong foundational premises that will serve as building blocks for positive growth This book will share with you the four Cs for building healthy relationships As each individual incorporates Christ communication commitment and compromise these tenets properly used can be the catalyst for positive growth in any relationship you may have

**Building Healthy Relationships** Emmanuel Atoe, 2023-02-17 Relationships are what life is made of we form them by what we do how we do it and what we represent When God first made humanity He formed relationships and created a good atmosphere for Adam and Eve to assist one another but unfortunately because of human sin this became difficult Relationships come in many different forms however this book focuses on promoting healthy couple relationships When it comes to relationships everyone

has different perceptions and they also react differently when facing challenges Differences in lifestyle and exposure and even Christian homes can create relationship issues Healthy relationships are fostered by properly addressing problems and conflicts in the proper manner God's principle is that people should respond to their differences in a Biblical way and use their disagreements to promote growth and development The primary factor is for the couple to cohabitate in love

**Healthy Relationships** Leslie Steinburg, 2015-09-28 Relationships can be tricky especially romantic ones so it's important to lay a solid foundation before devoting precious time and effort into growing the relationship Although relationships tend to differ from couple to couple the trademark of any healthy romantic partnership comes in the form of five specific pillars on which everything else must be built namely love trust communication intimacy and integrity But understanding what goes into each of these five pillars is only the first step to building a healthy relationship with your significant other The real key lies in knowing how to go about the implementation and that's where this book will come in handy Each chapter in this book is dedicated to one specific pillar and includes guidance on putting them into everyday practice Since no two people are built the same way it's best that you adapt the advice given in this book to your specific circumstances and make suitable adjustments as needed to best accommodate both of your needs By the end of this book you should be well on your way to having the healthy and happy relationship that you've always dreamed about with your romantic partner Grab this book now and let's get started
