many things but that list doesn't include following rules. So when she is forced to apply for a job as a telephone switchboard operator to support her two sisters, she knows it won't be easy. Hello Girls must conduct themselves according to strict and often bewildering rules. No talking to the other girls. No chatting with callers. No blowing your nose without first raising your hand. And absolutely no consorting with gentlemen while in training. Meanwhile, young lawyer Lincoln Cole finds himself in the unfortunate position of having to enforce the bank's eviction of the three Gregory girls from their parents' home. He tries to soften the blow by supporting them in small ways as they settle into another home. But fiery Hannah refuses his overtures and insists on paying back every cent of his charity. When one of Hannah's friends finds himself on the wrong side of a jail cell, Hannah is forced to look to Lincoln for help. Will it be her chance to return to her dreams of studying law? And could she be falling in love? With historic details that bring to life the exciting first decade of the twentieth century, Lorna Seilstad weaves a charming tale of camaraderie and companionship that blossoms into love. Readers will get lost in this sweet romance and will eagerly look forward to championing each sister's dreams.
