A Wildflower Grows in Brooklyn Julie Woodley,2013-04-19 Julie Woodley understands trauma From physical and sexual abuse as a child to abortion through the murder of a dear friend to brain injury and cancer she's experienced more than a lifetime's worth of pain and loss But by the grace of God she's doing more than surviving she's thriving Like a wildflower thrusting itself through a broken sidewalk God has raised Julie's joy and hope through the layers of loss and into the light of His plan for her He has transformed her from a broken receiver of grace into a beautiful blossom who radiates the grace she has received into the lives of other hurting people Trauma victims often feel weighed down by shame anger confusion and pain They may be so accustomed to getting by that having passion and joy seems a lost hope In *A Wildflower Grows in Brooklyn* they'll encounter a story that will inspire them to imagine a life restored and overflowing with all the good things God intends for them

The Catholic Church on Marital Intercourse Robert Obach,2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church's theology of marital sexuality from New Testament times to the present day The early ecclesial leaders promoted a theology of sexuality based on Stoicism's biological perception that sexual activity was solely for the

purpose of reproduction Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves With the Second Vatican Council 1962 1965 a new and positive view of marital sexuality emerged recognizing the Pauline view that the couple s marital acts express their love for each other along the lines of Christ s love for his church Ephesians 5 In sum The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other
