Nochimson, 2007-05-21 This fascinating book begins with a new definition of the gangster film and a challenging exploration of the Hong Kong and Hollywood screen traditions Illuminates the way gangster films deal with the ambiguities of modern life correcting the notion that this genre is inconsequential sensationalism Contends that both American and Hong Kong gangster films are against the grain reactions to the central fable of modern democracies that promise immigrant and other outsiders that they can become social insiders Clarifies crucial and fascinating differences between American and Hong Kong approaches to enjoining the discussion of immigrant histories by placing them in counterpoint with each other Draws on a range of American films ranging from Public Enemy and Scarface to Gangs of New York Goodfellas and The Godfather Explores a number of Hong Kong's 21st century gangster films including Andrew Lau's great trilogy Infernal Affairs and Election and Election 2 directed by Hong Kong auteur Johnnie To Concludes with an exclusive interview with The Sopranos creator David Chase *Dying To Marry* Janelle Taylor, 2011-10-24 New York Times bestselling author Janelle Taylor turns up the heat and pours on the suspense in her latest romantic thriller as childhood friends are drawn into a tangle of secrets that may cost them their lives This Time It's Personal Holly Morrow is shocked to hear about her cousin Lizzie's sudden wedding to Dylan Dunhill of the wealthy Dunhills who simply don't mix with wrong side of the tracks kids like the Morrrows Stranger still Lizzie has received frightening threats and the bridal party has suffered dangerous near miss accidents But when Holly learns that her childhood friend Jake Boone is now Dylan's pal she knows that everything's changed except her attraction to the steady sexy P I the only person willing to help her unmask the wedding's enemy And Deadly Jake has loved Holly forever but when she left Troutville scraping the dirt of her childhood off her high heeled boots he promised himself he would move on With Holly back in town however forgetting the way she makes him feel isn't easy and ignoring the violent threats delivered to the wedding party could prove deadly He'll have to keep desire at arm's length to keep his wits about him and unmask a killer before his friend's marriage leads to brutal murder *Harper's New Monthly Magazine* , 1879 **A Season of Dying** Deborah Mark McClellan, 2012-05-11 Middle aged a single mother and newly divorced Debra Bergman is a woman who freely admits she has gone to hell and back one too many times in her life due to the bad choices involving men with addictive and destructive behaviors She has survived a disastrous ten year marriage to her daughter's father making her strong enough she believed to weather any storm that would come her way Despite a reputation for being a player Debra discovers a fierce attraction to the charismatic and captivating musician Michael Jamison In spite of flashes of past relationships and Michael's excessive drinking and suspicious behaviors Debra surrenders to her desires believing the marriage was God's plan for her life and allows Michael to find his way into her mind and body But for Michael the lure of celebrity and being in the spotlight were

too desirable for him to leave behind And when all she believed in revolts against her with a vengeance she collapses into a downward spiral crossing the threshold of a black hole that threatens not just her life but her faith as well Debra soon discovers that her only hope out of the darkness and desolation in her life is to embark on yet another relationship Dying in Indian Country Beth Ward,2012 Wilson grew up watching members of his family die of alcoholism child abuse suicide and violence Like many others he blamed all the problems on white people Beth Ward grew up in a middle class home in the suburbs Raised in a politically left family she also believed that all problems on the reservation originated with cruel treatment by settlers and the stealing of land Meeting Wilson her first close experience with a tribal member she stepped out of the comfort of suburban life into a whole new frightening world After almost ten years of living with Wilson s alcoholism and the terrible dangers that came with it they both came to realize that individual behavior and personal decisions were at the root of a man s troubles including their own Further corrupt tribal government dishonest federal Indian policy and the controlling reservation system had more to do with the current despair in his community than what had happened 150 years ago Here is the plain truth in the eyes of one family in the hope that at least some of the dying physical emotional and spiritual may be recognized and prevented What cannot be denied is that a large number of Native Americans are dying from alcoholism drug abuse suicide and violence Popular belief is that the white culture and its past sins are to blame However tribal government as it behaves today coupled with current federal Indian policy may have more to do with the present condition Unfortunately persistent public misconceptions about Indian Country misconceptions sometimes promoted by tribal government and others enjoying unaudited money and power have worked to keep the situation just as it is When Your Marriage Dies Laura Petherbridge,2005 This book offers an honest look at the way divorce can shew one s life perspective and how a person can gain it back Regardless of who filed and for what reason divorce causes a grief unlike any other There is loss on both sides and sometimes a feeling of not knowing how to be single This vulnerability can set the stage for a variety of compromises moral changes and basic confusion Author Laura Petherbridge has been there and shares her own foolish mistakes A veteran of Christian ministry she directs the reader to biblical preventions and solutions to these common mistakes *A Memory Worth Dying For* Joanie Bruce,2014-03-11 Do Not Return To Texas Marti Rushing gets the message loud and clear If she returns to Texas her life is in danger If she stays in Tennessee she s safe But when she receives a letter telling her that Daniel her ex husband and the love of her life is dying she knows she has to defy the stalker and return to Texas to see him Three years ago Daniel accused her of things she couldn t remember doing Without waiting for an explanation and after four wonderful years of marriage Daniel kicks her off of his family s Quarter Horse ranch Now three years after their separation he walks into her art reception in Tennessee and acts like he doesn t remember her Does the memory loss have anything to do with the letter she received or is Daniel pretending Is he the one stalking her or is it someone with a deadly sinister motive Ignoring the deadly warnings she leaves for Texas but on the way there she attempts

on her life begin Will she be able to evade her pursuer s attacks Or will Daniel s face be the last one she sees What God Thinks When a Child Dies Patty Whitacre,2022-01-14 When someone loses someone they love there is a period of grieving If the death resulted in the loss of a close or significant relationship the grieving can be really intense and cause us to blame ourselves or others and even God for the untimely death of our loved one If that someone was your own child the questions and what ifs can be excruciating If suicide was involved the questions seem to never end and guilt and shame can be debilitating In our grief we can lose sight of who God is Based on Scripture this book is an attempt to help those grieving see God and His character The Trinity has different roles and characteristics they embody Interweaved in each section are personal stories of loss and how the Trinity showed up during a time of the unimaginable loss of a child After the death of my son I struggled with praying and reading scriptures I had a hard time focusing for any length of time and I didn t know where to begin reading God took me on a journey by giving me a topic a day to explore in regard to His character and death dying and the care and comfort He has for us as we journey through this dark valley No one s journey is exactly alike No one heals exactly in the same timeframe and way but God is there with us individually caring for us to help us find peace where we can continue our own journey till it is our own time to meet Him We just need to be able to see and recognize Him along the way

Black Is the Fashion for Dying Jonathan Latimer,2014-04-29 In Hollywood a screenwriter gets involved in an impossible murder In a steamy tropical jungle a sinister American woman pushes the natives too far and gets exactly what she deserves a rusty knife buried deep in her back At least that is the way the movie is supposed to end But when the loathsome starlet Caresse Garnet learns her character is about to be killed off she refuses to die forcing the studio to rewrite the ending the night before the scenes are to be shot While hammering out a happy ending for Hollywood s most reviled actress screenwriter Richard Blake discovers a naked blonde in his driveway sitting in a parked car and sucking down exhaust She is the first clue in an unfathomable Hollywood mystery that will teach Caresse Garnet that though she may get to dictate when her characters die in real life it is not up to her

Dying to Grow Nathan Lorick,2014-02-21 Never before have we seen the church degenerate at such a rapid pace This is largely due to the church pursuing congregational growth instead of kingdom growth The church is dying because our growth isn t based on strategies to reach the lost with the gospel The time to change is now we can t wait any longer People s eternities are at stake What is your church s priority Are you more concerned with filling your building or furthering the Kingdom This book will challenge you to evaluate just how important gospel based evangelism is to you and your church and call on you to restore an intentional evangelism strategy within the body Hell will tremble when churches once again make evangelism the central theme of their strategy **Wouldn't Mind Dying, If Dying Was All** Apostle Annie Davis/Duncan,2020-10-19 Wouldn t Mind Dying If Dying Was All By Apostle Annie Davis Duncan Teaching the words of the bible for over twenty years Annie Davis s mother was her inspiration and teacher Through her muse Davis hopes that readers enjoy her story and get an understanding of what the words of God are telling us With

Annie Davis's words this book could change someone's life for the better and give a positive outlook on life's journey

When a Loved One Dies K. D. Pryor, 2011 Brittany France Near the coast A picturesque inn Spectacular scenery Tasty French treats Time off from school Tallis Challinor imagines this as the perfect vacation scenario so when her grandfather suggests that she accompany him to the country of her ancestors she is more than happy to tag along What Tallis doesn't bargain on is another ghostly encounter especially not so soon after she's sealed up a bunch of unruly ghosts on their side of the portal between the human and spirit realms But when she feels the energy radiating from the megalithic standing stones dotting the countryside around Carnac France an energy that feels frighteningly like the power exuding from the portal in her basement back home she has a feeling she might be in trouble And she is right When her grandfather goes missing Tallis leaps into action She calls the only ghostbuster she knows in France and with help on the way she gears up to battle another set of spirits bent on causing destruction Along the way Tallis is forced to examine her life her relationships and her tightly held beliefs about who she is and where she comes from She also has to juggle two impossible males both attractive but annoying both seemingly set on driving her nuts or breaking her heart
