Love Hurts:

Why Love Hurts Eva Illouz, 2013-05-06 Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us; being heartbroken when we're abandoned by a lover; engaging in Sisyphean internet searches; coming back lonely from bars, parties or blind dates; feeling bored in a relationship that is so much less than we had envisaged. These are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy, and what people imagine to be the spectrum of their choices—all these aspects of choice have transformed the very core of the will: how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors. *Love Hurts* Beverly Scudamore, 2013-03-01 Mel's best friend Dustin is her dream guy, but she lost her chance with him last year and now he's seeing someone else. Enter Colter, the handsome new guy in school who is definitely interested in her. It's just the thing Mel needs to get her mind off Dustin. Before Mel realizes it, she's spending almost every waking moment with Colter, even skipping volleyball practices and nights out with friends. When Colter gives Mel a ring, alarm bells start ringing and Mel worries that maybe they're moving too fast. But every time Mel tries to cool things down a bit, Colter latches on even tighter. Mel can't bring herself to leave him. But she is beginning to wonder what lengths Colter will go to if she does. **Love Hurts** Lodro Rinzler, 2016-12-13 Buddhist-inspired advice for working through romantic breakups and other painful emotional periods by the best-selling author of *The Buddha Walks into a Bar*. Buddhism has a lot to say about suffering, and there are likely few times we suffer more intensely than when we break up with a romantic partner. It feels like you may never recover, sometimes. But Lodro Rinzler has wonderfully good news for those suffering heartbreak: the 2,500-year-old teachings of the Buddha are the ultimate antidote for emotional pain. And you don't need to be a Buddhist for them to apply to you. In this short and compact first aid kit for a broken heart, he walks you through the cause and cure of suffering with much practical advice for self-care as you work to survive a breakup. The wisdom he presents applies to any kind of emotional suffering. It's a
