European Directors and Their Films Bert Cardullo, 2012-08-09 In *European Directors and Their Films* Essays on Cinema Bert Cardullo offers readable analyses of some of the most important film artists and individual films of the last several decades Beyond simple biographical capsules and plot summaries these readings demonstrate with elegance and clarity what cinema means as well as shows explaining how international moviemakers use the resources of the medium to pursue complex significant human goals *Encyclopedia of Gay Histories and Cultures* George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international

developments in an area that now occupies a critical place in many fields of academic endeavors. It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach. While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways. To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered. Written for and by a widerange of people. Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language. At the same time it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future. **Teaching Sound Film** R. J.

Fassbinder's Germany Thomas Elsaesser, 1996 Rainer Werner Fassbinder is one of the most prominent and important authors of post war European cinema. Thomas Elsaesser is the first to write a thoroughly analytical study of his work. He stresses the importance of a closer understanding of Fassbinder's career through a re-reading of his films as textual entities. Approaching the work from different thematic and analytical perspectives Elsaesser offers both an overview and a number of detailed readings of crucial films while also providing a European context for Fassbinder's own coming to terms with fascism.
