## **Love Killers:**

**Why We Love Serial Killers** Scott Bonn, 2014-10-28 For decades now serial killers have taken center stage in the news and entertainment media The coverage of real life murderers such as Ted Bundy and Jeffrey Dahmer has transformed them into ghoulish celebrities Similarly the popularity of fictional characters such as Hannibal The Cannibal Lecter or Dexter demonstrates just how eager the public is to be frightened by these human predators But why is this so Could it be that some of us have a gruesome fascination with serial killers for the same reasons we might morbidly stare at a catastrophic automobile accident Or it is something more In *Why We Love Serial Killers* criminology professor Dr Scott Bonn explores our powerful appetite for the macabre while also providing new and unique insights into the world of the serial killer including those he has gained from his correspondence with two of the world's most notorious examples David Berkowitz Son of Sam and Dennis Rader Bind Torture Kill In addition Bonn examines the criminal profiling techniques used by law enforcement professionals to identify and apprehend serial predators he discusses the various behaviors such as the charisma of the sociopath that manifest themselves in serial killers and he explains how and why these killers often become popular cultural figures Groundbreaking in its approach *Why We Love Serial Killers* is a compelling look at how the media law enforcement agencies and public perception itself shapes and feeds the monsters in our midst

**Love Letters to a Serial Killer** Tasha Coryell, 2025-05-20 An aimless young woman starts writing to an accused serial killer while he awaits trial and then once he is acquitted decides to move in with him and take the investigation into her own hands in this dark and irresistibly compelling debut thriller Recently ghosted and sick of watching her friends fade into the suburbs thirty something Hannah finds community in a true crime forum that's on a mission to solve the murders of four women in Atlanta After William a handsome lawyer is arrested for the killings Hannah begins writing him letters It's the perfect outlet for her pent up frustration and rage The exercise empowers her and even feels healthy at first Until William writes back Hannah's interest in the case goes from curiosity to obsession leaving space for nothing else as her life implodes around her After she loses her job she heads to Georgia to attend the trial and befriends other true crime junkies like herself When a fifth woman is discovered murdered the jury has no choice but to find William not guilty and Hannah is the first person he calls upon his release The two of them quickly fall into a routine of domestic bliss Well as blissful as one can feel while secretly investigating their partner for serial murder

Unlock the Brutal Truth About Women's Desires Ever feel women say they want equality but secretly crave dominant men Sick of being shamed for masculinity while women demand strength Why do feminists deny biology when it controls attraction Reveal how evolution hardwires female desire not woke fairy tales Debunk the toxic myth that gender roles are social constructs Expose why women's words often mask their primal instincts Learn why toxic masculinity is a trap to control men Shatter the gynocratic delusions destroying relationships Arm yourself with unapologetic redpill truths for dating Reject the marriage plantation and reclaim your power Master the biological rules feminists hate you to know If you want to crush feminist fiction and dominate with biological truth buy this book today Serial Killer Groupies RJ

Parker, 2014-12-26 This book delves into the twisted psychology of women attracted to some of the most notorious monsters on the planet giving true crime readers real insight into this phenomena One of the most common reasons given by women who date serial killers is the fact that they see the little boy that the horrible man once used to be and they believe that they can nurture that kid hence removing the cruel and harmful nature of the killers and making them amicable again Known as serial killer groupies or even prison groupies by some a great number of these women have shown a surprising desire to get connected to the serial killer of their choice A large number of these women have become directly aligned with these killers and some have even married these hardened criminals Groupies will do almost anything to get close to the prisoner that they are attracted to They give up jobs family spend money on him and even move across country to be in the same town as him Some SKG's are attracted to the celebrity status they acquire They go on talk shows to announce their undying love for the serial killer and proclaim that he was not capable of these killings This book depicts several such cases and you'll meet some of these SKG's If you seek to understand or study the unexplainable this book may be your key to some grasp of what is beyond imagining why some women love serial killers Bernard Lee DeLeo bestselling author of over twenty five novels The obsessed groupies of predators such as Richard Ramirez The Night Stalker are just as fascinating as the serial killers they love Best selling author RJ Parker offers powerful insights into the needs motivations and dark desires of women who pursue and sometimes marry the most infamous killers in history This powerful psychological examination of these women is not to be missed Well researched Parker sheds new light on the curious sub culture of groupies in his new true crime book SERIAL KILLER GROUPIES Scott Bonn PhD Professor criminologist and author of Why We Love Serial Killers The Curious Appeal of the World's Most Savage Murderers *No Children. It Makes Sense!* Nathalie Six, 2023-07-04 Kids are great It's a unique process that everyone should experience Except that today 1 in 20 French people refuse to have children What are the reasons for this voluntary infertility Do we really know why we have children Isn't having children an obstacle to personal and professional development In an overpopulated and polluted world isn't it selfish to take up too much space by having a family Don't children cost too much to individuals and to society The author investigates with dozens of women and men for whom the duty to procreate rings hollow Among these non parents are exclusive lovers artists careerists religious people

traumatized children eternal teenagers environmentalists convinced Malthusians as well as feminist activists who have made their refusal to give birth a standard in order to assert themselves in a society that praises all mothers and family values
