Jesus Christ for Today's World Jürgen Moltmann, Margaret Kohl, 1995-08-21 Jürgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the future in which God will restore everything and gather everything into his kingdom Urging that acknowledgment of Christ and discipleship are two sides of the same coin Moltmann contends that the question of Jesus Christ for today is not just an intellectual one Moltmann takes fresh approaches to a number of crucial topics Jesus and the kingdom of God the passion of Christ and the pain of God Jesus as brother of the tortured and the resurrection of Christ as hope for the world the cosmic Christ Jesus in Jewish Christian dialogue the future of God and others

States Without People Billie Jeanne Brownlee, Mazyar Ghiabi, 2025-03-11 The horizon of emancipatory politics is in ruins scarred by defeats and ongoing conflicts Under the auspices of technocapitalist elites and their political allies a reactionary turn tightens its grip on the world Civil wars and regional conflicts are surging The Middle East has become the regional laboratory for a global reconfiguration of power States Without People explores how revolts that preceded the outbreak of war have fostered a right wing political culture In a nuanced discussion of the defeat of popular revolts and the rise of mythological politics hypermilitarism and ethnosupremacism Billie Jeanne Brownlee and Mazyar Ghiabi take readers into the phenomenological depths of citizen politics in Israel Lebanon Syria Iraq Iran and Egypt across the Arabian Peninsula and beyond The book highlights three pivotal moments the outbreak and defeat of popular revolts the ensuing civil wars and the complex displacement that has forced millions from their homes States

Without People advances a paradigm shift in state citizen relations from the vantage point of the Middle East In the state without people there is no ideological space for a heterogeneous or self contradictory citizenry only for partisans whose interests overlap with the state s and for enemies

Iconoclasm James Huneker,2015-02-12 Example in this ebook I HENRIK IBSEN I THE INDIVIDUALIST The Kingdom of God is within you Ferdinand Bruneti re has declared that there can be no tragedy without a struggle nor can there be genuine emotion for the spectator unless something other and greater than life is at stake This so exactly defines the dramas of Henrik Ibsen that it might have been specifically written to describe their dramatic and ethical content Whatever else Ibsen s works may be they are first soul dramas the human soul is not only their shadowy protagonist but it is the stake for which his characters breathlessly game throughout the vast halls of his poetic and historic plays and within those modern middle class apartments where the atmosphere seems rarefied by the intensity of the struggle Greater than life means for Ibsen the immortal soul immortal not in the theologic but generic sense the soul of the species which never had a beginning and never can have an end With this precious entity as pawn on Ibsen s dramatic chess board the Bruneti re dictum is perfectly fulfilled Let us apply to him and his plays a symbol let us symbolize the arch symbolist Ibsen is an open door The door enacts an important r le with him Nora Helmer in A Doll s House goes out of the door to her new life and in The Master Builder Hilda Wangel typifying the younger generation enters to Solness An open door on the chamber of the spirit is Ibsen Through it we view the struggle of souls in pain and doubt and wrath He himself has said that the stage should be considered as a room with the fourth wall knocked down so that the spectators could see what is going on within the enclosure A tragic wall is this missing one for between the listener and the actor there is interposed the soul of the playwright the soul of Ibsen which prism like permits us to witness the refractions of his art This open door this absent barrier is it not a symbol What does Henrik Ibsen mean to his century Is he dramatist symbolist idealist optimist pessimist

poet or realist Or is he a destructive a corroding force Has he constructive gifts aside from his technical genius He has been called an anarchic preacher He has been described as a debaser of the moral coin He has been ranged far from the angels and his very poetic gifts have been challenged Yet the surface pessimism of his plays conceals a mighty belief in the ultimate goodness of mankind Realist as he is his dramas are shot through with a highly imaginative symbolism A Pegasus was killed early under him as Georg Brandes says but there remains a rich remnant of poesy And may there not be deduced from his complete compositions a constructive philosophy that makes for the ennoblement of his fellow beings Ibsen is a reflective poet one to whom the idea presents itself before the picture with Shakespeare and Goethe the idea and form were simultaneously born His art is great and varied yet it is never exercised as a sheer play of form or colour or wit A Romantic originally he pays the tax to Beauty by his vivid symbolism and his rare formal perfections And a Romantic is always a revolutionist Embittered in youth proud self contained reticent he waged war with life for over a half century fought for his artistic ideals as did Richard Wagner and like Wagner he has swept the younger generation along with him He the greatest moral artist of his century Tolstoy not excepted was reviled for what he had not said or done so difficult was it to apprehend his new elusive method A polemist he is as were Byron and Shelley Tolstoy and Dickens Turgenev and Dosto evsky To be continue in this ebook Foundation Truths of the Christian Religion Emanuel Swedenborg,1901
