Love Minus One And Other Stories:

Love Minus One & Other Stories Norma Harris,1996-07-25 Whether we are eavesdropping on the imaginative Saturdays of a Portuguese cleaning lady or living through a divorced woman's search for the elusive orgasm Norma Harris manages in this collection of short stories to absorb the essence of her narrator's psyche with the clarity of a good actress who gets under the very skin of her characters Love either the absence of or yearning for is the theme that links that stories in this collection together Love for a family member a friend a lover or a husband and sometimes that lack of reciprocity is the element that gives the stories poignancy and force The variety in these stories keeps the reader always guessing The author doesn't limit us to the easy answers but brilliantly provokes us to enlarge our own landscape **In a Canadian Canoe, the Nine Muses Minus One, and Other Stories** Barry Pain,1891 *In a Canadian Canoe; And, The Nine Muses Minus One, and Other Stories* Barry Pain,2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Where Dreams Have Gone Norma Harris,1997-10 Dreams vanish in most of the masterful stories that make up Norma Harris's new collection A young Irish girl falls in love with an older married professor and has her first date with heartache a middle aged woman attends her niece's wedding and drunkenly surveys the wreck of her own life and love affairs a young woman admires her kind and beautiful neighbour so much that she is almost drawn into a not so innocent profession Adversity sometimes disaster befalls Norma Harris's characters but instead of destroying these people it often miraculously enriches their existence bringing them a sudden awareness of what had been wrong with their lives and inspiring them to make a fresh start Ms Harris seamlessly weaves together plot and evocative detail wildly funny turns of events and inconsolable sadness her stories earthy eroticism their startlingly vivid dialogue and above all their breathtakingly original rendering of suffering and joy will remain with the reader long after the final page
